Report of the BOARD OF SELECTMEN

The Board of Selectmen is pleased to offer our Annual Report for the calendar year of 2017 to the residents of Marion.

In February, Selectman Stephen Cushing announced that he would not be running for reelection. Mr. Cushing's first term as selectman was in 2008, and we thank him for his years of dedicated service.

At the Annual Town Election Norman Hills was elected to a three-year term on the Board. We congratulate Mr. Hills on his election and look forward to working with him on the many important issues facing our community.

In addition to working closely with department heads in the day to day operations of the Town, the Board of Selectmen directs its efforts toward a variety of important issues, a few of which are listed below.

NATIONAL POLLUTANT DISCHARGE ELIMINATION SYSTEM (NPDES) PERMIT

In late 2014 the United State Environmental Protection Agency (EPA) issued the Town's draft NPDES Permit that governs the operation of the Town's wastewater treatment facility. Soon after, we began working with our consulting engineers, CDM Smith, on the appeal to some of the more significant mandates. In mid-December, 2016 we received notice that the EPA would move forward with the issuance of the NPDES Permit.

Issued in April 2017, the NPDES Permit imposed many new and/or modified requirements for the day-to-day operation of the facility. While some were, in the opinion of the Town, judged to be excessive in light of the ongoing operational effectiveness, others were deemed to be inappropriate and not supported by fact-based criteria. In addition, the cost of implementing such drastic changes would have been far too prohibitive for the rather small base of sewer ratepayers.

On May 15, 2017, the Town filed a Petition for Review with EPA's Environmental Appeals Board (EAB). In a separate action, the Buzzards Bay Coalition also filed a Petition for Review for different reasons. The filing of these Petitions resulted in a stay of the new permit requirements while the matter was being adjudicated. All parties accepted the EAB's invitation to participate in a mediation process in an effort to resolve the substantive issues. Through the summer and early fall the Town engaged in ongoing discussions and negotiations with the other parties. The goal of these discussions was to alleviate some of the more burdensome permit requirements as the Town sought to optimize plant operations in the most environmentally friendly and cost-effective manner.

The Town and the EPA reached an agreement and the Administrative Order on Consent memorializing the settlement and the final permit became effective on December 1, 2017. The highlights of the agreement include the following: the Town will line one (not all three) of the sewer lagoons; continue to save money by handling solids on site; study and develop a Lagoon Optimization Plan to maximize the use of the lined sewer lagoon and to minimize the use of the other lagoons to the extent reasonably practicable; and delay implementation of the new phosphorous requirements as the Town continues to participate in ongoing regionalization efforts involving Wareham and other entities.

We believe that this Administrative Order on Consent provides the Marion ratepayers with a thoughtful, efficient, and far more cost-effective plan for managing wastewater

operations, and we are appreciative of the efforts of all the parties in producing a satisfactory resolution.

On December 12, 2017 we received notice that the Buzzards Bay Coalition filed a notice of intent to sue the Town of Marion under the Massachusetts Clean Water Act for the two unlined sewer lagoons. We will continue our effort to resolve this complicated issue.

BENJAMIN D. CUSHING COMMUNITY CENTER

On April 23, 2016 the members of the Veterans of Foreign Wars Benjamin D. Cushing Post #2425 voted to transfer to the Town of Marion, free of any encumbrances, the property located at 465 Mill Street. At the Special Town Meeting of October 24, 2016 it was voted to accept the donation, and on December 7, 2016 the property was transferred to the Town of Marion. At a meeting on December 20, 2016 it was agreed, in accordance with the wishes of the Post members, that the building on the site would be used to serve the residents as a senior center, community center, and recreation center. The building will continue to be the voting site for all elections.

Use of the property as a campus-style municipal complex that would include Town offices, senior center, community center, and recreation center is under consideration as well.

The Facilities Department, Department of Public Works, Recreation Department, and several volunteers worked together on renovation and landscaping improvement, and after several months of joint effort, the renovated community center opened on July 1, 2017. We thank everyone who participated for their assistance in making this project a success.

MARION TOWN HOUSE

As we requested in December, 2015, the Town House Building Committee has continued to work on a smaller scale project limited to the Town House. The donation of the Benjamin D. Cushing Community Center property initiated discussions within the community regarding the construction of a new Town offices building at that site. At the May 2017 Annual Town Meeting voters approved funding in the amount of \$34,300 for a subcommittee of the Town House Building Committee to complete a feasibility study of a new Town House at that location. We will continue to consider all suggestions and options.

COMMUNITY COMPACT

The Town of Marion was awarded two grants through the Commonwealth's Community Compact Cabinet, a program that sponsors voluntary mutual agreements between municipalities and the Governor's office. On October 13 we met with Lieutenant Governor Karyn Polito for the signing of the Community Compact.

The grants fall under the Human Resources Best Practice areas. One will be used to develop a formal wage and classification plan that details all non-Union job descriptions, employee grades, and salary ranges, and the other will be used to study Department of Public Works activities to make all of its component operations run more effectively.

STAFF

In May, Police Chief Lincoln Miller announced that he would be retiring on January 1, 2018 after 35 years of service on the police department, and in December, Department of Public Works Superintendent Robert Zora retired after 47 years of service. We thank Chief Miller and Mr. Zora for their long, dedicated service to our residents and visitors.

CONCLUSION

The Selectmen will continue our efforts to provide efficient services to the residents of this town. We thank the employees, elected officials, and appointed volunteers for their hard work and also thank the caring and concerned residents of the Town of Marion for their support in making Marion such a wonderful community.

Respectfully submitted,

Jonathan E. Dickerson, Chairman

(l-r) Rep. Straus, Lt. Gov. Polito, J. Dickerson, N. Hills - October 13, 2017 signing of the Community Compact

Report of the BOARD OF ASSESSORS

To the Honorable Board of Selectmen:

As mandated by State Law, the major responsibilities of the Board in Fiscal Year 2017 were to manage the valuation and assessment of all real and personal property for *ad valorem* tax purposes, to set the tax rate, act upon applications for abatements, place value on new construction, and commit motor vehicle and boat excise taxes.

A single tax rate for all classes of property was set at \$11.41 per \$1,000 of valuation.

The following information is a recapitulation of the Town's assessment and tax levies for Fiscal Year 2017:

<u>Class of Property</u>	<u>Valuation by Class</u>	<u>Percent of Total Levy</u>	<u>Tax Levy by Class</u>
Residential	\$1,422,771,233	92.36	\$16,233,819.77
Commercial	69,901,667	4.54	797,578.02
Industrial	16,188,300	1.05	184,708.50
Personal	<u>31,565,036</u>	<u>2.05</u>	<u>360,157.06</u>
Totals	\$1,540,426,236	100.00	\$17,576,263.35

The following is the tax rate summary for Fiscal Year 2017:

Funds from estimated receipts and other fund sources	9,484,074.00
Funds to be raised by tax levy	<u>17,576,263.35</u>
Total Amount to be raised	\$27,060,337.35

Property exempt from taxation had a total value of \$170,514,100. The tax value of new construction was \$176,844. The Board committed \$845,070.53 in motor vehicle excise taxes. Excise taxes on boats habitually moored in Marion were \$80,829.00. The commitment for the Community Preservation Fund was \$283,038.75.

A summary of abatements and statutory exemptions that were granted for Fiscal Year 2017 are:

Abatements	\$ 23,664.69
Senior Work-Off Program	10,355.04
Statutory Exemptions	<u>61,608.71</u>
Total	\$ 95,628.44

On May 12, 2017, Catherine A Gibbs, M.A.A., retired from the Board of Assessors after being a Board Member for 15 Years. We would like to thank Mrs. Gibbs for all her years of service and dedication to the Town of Marion and wish her a happy and healthy retirement.

The Board thanks Linda Dessert, M.A.A., Associate Assessor and Cynthia M. Visotski, our Administrative Assistant, for their dedication, work ethic and knowledge of State Assessing Laws and of the responsibilities required of the Board. We are especially grateful for the respect and courtesy they extend to all of the Marion residents and real estate professionals that call or visit our office.

The Board meets regularly on Wednesdays from 3:00 P.M. to 4:30 P.M. and at other times by appointment. We encourage voters to meet with members of the Board at anytime to express their value-related concerns. If you cannot meet with us, please visit us online at marionma.gov under Town Departments.

In 2016, we updated our online property value database to include an online mapping application hosted by MapGeo. MapGeo provides access to digital geographic and property data and works closely with MassGIS to make sure our property records conform to MassGIS standards. Using MapGeo, Town employees as well as taxpayers can easily search for properties by owner's name or address, view property record cards, overlay a MassGIS aerial photo onto a property and/or overlay a FEMA Map onto a property. Abatement Applications, Assessors' Maps and additional helpful information are also available on the Assessors' web page located on the Town's website at marionma.gov under Town Departments.

Respectfully Submitted,
MARION BOARD OF ASSESSORS

Ray E. Pickles, Chairman
Bradford N. Eames
Patricia A. DeCosta, M.A.A.

Patricia DeCosta, Catherine Gibbs, Ray Pickles

Report of the MARION PLANNING BOARD

To the Honorable Select-Board:

The Planning Board is pleased to submit the following report of our work for the year ending December 31, 2017.

Marion witnessed continued development, site plan reviews and permitting activity across commercial, institutional and residential sectors over the past year. New development and reuse of existing buildings took place on commercial and institutional properties.

The Planning Board conducted Site Plan Review hearings; some Site Plan Reviews were in conjunction with Special Permits. These included a series of changes on Spring Street: Patrick's Candy Pantry, the Buzzards Bay Coalition Building, and for new dorms at Tabor Academy. There were also approvals related to the expansion or modification of existing buildings and businesses in town, and one Special Permit for an upscale used auto dealership on Route 6.

The Planning Board reviewed several Approval Not Required (ANR) plans for lot line changes, land swaps between adjacent parcels, or the creation of new lots. One ANR submittal was ultimately withdrawn. The Planning Board reviewed one proposed Subdivision.

Part-time Town Planner Kenneth Buckland accepted a full-time position as Wareham's Town Planner, but graciously agreed to help with Master Plan work until a new part-time Town Planner was hired. New part-time Town Planner Gil Hilario was hired, and he has been actively participating and implementing some Master Plan Goals that include Complete Streets Policy planning as part of the Traffic and Circulation Task Force, open space planning with the Stewards of Community Open Space, bylaw codification, as well as a new effort by the Marion Historical Commission to create deed summaries of the 'historic' buildings in the town.

Marion's Master Plan started in 2014 and was accepted at the Special Town Meeting this fall; a concise, user-friendly document using current and accurate data and public input. Marion's residents and Master Plan Advisors contributed invaluable ideas and viewpoints at numerous meetings and at seven public workshops taking place over three years. We are grateful for the participation of our fellow Marion residents, without them the Master Plan would not reflect an understanding of our Town as a supportive and flourishing community. The "Resilience to Climate Change" chapter is unique to this plan, specifically added to the elements required by the state to be in a Master Plan. The Planning Board's contract with the Southeastern Regional Planning and Economic Development District (SRPEDD) provided excellent technical expertise to guide us through the Master Plan process.

The Planning Board is already actively pursuing some of the Master Plan goals:

- A bylaw subcommittee has been working for two years to resolve bylaw codification questions and integrate Master Plan goals. This has resulted in recommended changes being accepted at both the Annual Town Meeting and the Special Town Meeting this year;
- The Stewards of Community Open Space (SoCOS) has been formed incorporating the Town Committees/Commissions and local private conservation organizations to ensure that there is coordination of their efforts going forward;
- Marion submitted a Community Compact application that has been accepted resulting in two grants totaling \$25K so far;

- The Transportation and Circulation Task Force (TCTF) has been established to address improvements on our local roads and to determine if there are viable options to calm the traffic on Route 6. The TCTF has drafted a Complete Streets Policy that will provide access to grants for improvement of our local roads. Route 6 will be a more protracted effort, we have coordinated the first step which is a corridor study of Route 6 from Fairhaven, through Mattapoisett and Marion, to Wareham. We expect this study to start next Spring.

As with previous years, 2017 was marked by productive and collaborative relationships between the Planning Board and a variety of other Town boards and committees. Planning Board members continue to play an active role as members of several Town and regional committees, including the Community Preservation Committee, Transportation and Circulation Task Force Committee, the Energy Management Committee, and the Southeastern Regional Planning and Economic Development District.

The Town elections resulted in the reelection of Eileen J. Marum, the election of Norman Hills after a one-year absence and election of write-in candidate Chris Collings.

The Planning Board reorganized with Eileen J. Marum being elected Chairman, Stephen Kokkins being elected Vice-Chairman and Norman Hills being elected Clerk.

Planning Board member Stephen C. Gonsalves resigned in June. Andrew Daniel was appointed to fill the vacancy in July subsequent to a special Select-Board and Planning Board meeting.

SUMMARY OF DECISIONS:

Zoning Bylaw Change

Table of principle Use	Passed at Town Meeting
Zoning Change to Residence E	Not passed at Town Meeting
Bylaw Codification March 2017	Passed at Spring Town Meeting
Bylaw Codification August 2017	Passed at Special Town Meeting
Zoning Change to Residence E	In Progress

Site Plan Review

173, 177 Spring Street Buzzards Bay Coalition	Approved
Johnson Family Investments – Modification of Site Plan	Approved
201 Wareham Road Saltworks Marine – Extension of Site Plan	Approved
Spring Street, Tabor Academy Dormitory	Approved
428 Wareham Street, Brian Kelly	Approved
149 Wareham Street, Dwight Crosby	Approved
111 Wareham Street, Wollanhaupt/Urquart	In Progress

Special Permit

428 Wareham Street, Brian Kelly	Approved
149 Wareham Street, Dwight Crosby	Approved

Approval Not Required

483 Point Road, Cranlor LLC	Denied
81 and 91 Allen's Point Road, Nadler	Endorsed
66 Main Street, Sudofsky	Endorsed
111 Wareham Street, Tad Wollenhalupt	Endorsed
66 Main Street, Tom Magauran	ANR Modification Endorsed
265 Wareham Street, Sylvia Companies	Endorsed
30 Sippican Lane, Lars Olson	Endorsed
Wareham Road, Henry Dejesus	Endorsed
Ridgewood Lane, Luba Bilentschuk	Endorsed

Respectfully submitted,

Eileen J. Marum, Chairman

Stephen J. Kokkins, P.E., Vice-Chairman

Norman Hills, Clerk

Jennifer A. Francis

William Saltonstall

Chris Collings

Andrew Daniel

Report of the DEPARTMENT OF PUBLIC WORKS

Acting as Water & Sewer Commissioners, the Board of Selectmen is pleased to submit the following report.

On December 15, 2017, longtime Department of Public Works Superintendent Rob Zora retired after 47 years of service. Mr. Zora began his career with the Department of Public Works in September, 1970, and he became superintendent of the department in 1984. The Town of Marion has benefitted immeasurably from Mr. Zora's experience and dedication, and we thank him and wish him well in his retirement.

Prior to Mr. Zora's retirement, the Town of Marion was awarded a grant through the Commonwealth Community Compact program to study Department of Public Works activities to make all of its component operations run more effectively. We expect that the study will be complete in August, 2018 and have decided to fill Mr. Zora's position on an interim basis until we have had the opportunity to review and accept the findings of the study.

Following is a summary of some of the work performed by the Department of Public Works in 2017.

WATER

The Water Division has been busy this year upgrading and improving the facilities and system:

- The Division Supervisory Control and Data Acquisition (SCADA) received a software and hardware upgrade. This control system uses computers and networked data communications to monitor and control remote equipment and sensors.
- At Perry Hill Station we upgraded the chemical feed system, both pump and drive
- Main Water building roof was replaced and the brick work repointed
- Mary's Pond well site, we started installation of three new gravel-packed wells and installed a new submersible pump. We expect to complete the work in 2018
- Completed the installation of new residential water meters that permit remote reading from the street
- Completed six fire hydrant replacements

SEWER

After years of legal and technical discussions, the EPA finally issued the NPDES Permit for the operation of the Waste Water Treatment Plant. The key requirement is to line Lagoon #1 and to complete an engineering evaluation of how to operate the Plant and minimize the use of the other two lagoons. At the Annual Town Meeting in May, the town voted funds to start the engineering analyses needed to determine options for complying with the new Permit.

I&I reduction efforts included lining 3,284 linear feet of sewer pipe on Route 6, Mill Street Extension, and Wells Road. This effort has resulted in a discernable reduction of I&I. The Division continues to conduct inspections during house sales to determine if there are any unauthorized discharges to the sewer system.

Waste Water Treatment Plant upgrades began in 2017 and will include upgrades to the Ultra Violet disinfection system, disc filters and the Sequencing Batch Reactor air diffusion system. The plant water booster pump system was rebuilt enhancing the ability to process irrigation-quality water for on-site use at the Waste Water Treatment Plant.

A series of meetings is ongoing with CDM Smith engineers (the town's sewer consulting engineers) to review the data and calculations to determine if the current sewer moratorium is still warranted. We expect to have an answer early next year.

CURBSIDE RECYCLING

We continued our curbside recycling program in 2017. In all, we were able to recycle 306 tons of single stream (both paper and commingles), 186 CRT's, 82 air conditioners, 39 dehumidifiers, 42 refrigerators, 4 freezers, 500 gallons of waste oil, 410 tons of leaves and 486 Christmas trees.

We thank all staff members of the Department of Public Works and clerks Rebecca Tilden and Diane Carvalho, for their help and cooperation in 2017.

Respectfully submitted,

Board of Selectmen

WATER

Total Water Pumped in 2017	189,662,000
At #1 Pumping Station, North Marion	889,000
At Mary's Pond Pumping Station, Rochester	0

Smallest amount of sewage pumped in one day--08/18	293,000
Average daily pumping	511,427

Marion Water Committee 2017 Annual Report

The Marion Water Committee (Committee) continues its work in planning for continued excellent water service to the residents of Marion both at present and for years into the future. The new Great Hill Water Tank has been in service for two years as of November 2017 and continues to serve as a critical component in the Town's water distribution system for both water storage and fire protection. The Town, in conjunction with Town Counsel and the Great Hill Trustees, continued working to finalize the land swap and utility and access easements for the new tank in 2017. The land swap and easements are scheduled to be finalized by early 2018.

Other projects and initiatives completed during 2017:

1. County Road Water Main and Meter Vault Installation – The Town proceeded with the design of approximately 2,800 linear feet of replacement water main in County Road from Point Road to Blackmore Pond Road. The project also includes the design of a below grade precast cast concrete metering vault, which will serve as an emergency interconnection between the Town of Marion and Town of Wareham water systems. The project is scheduled for public bidding in February 2018. Award of the construction contract is subject to appropriation of construction funding at the 2018 Marion Spring Annual Town Meeting.
2. Mary's Pond Wellfield/Pump Station Rehabilitation – The construction contract for installation of three new gravel-packed wells (Phase I) was publicly bid in October 2017. Construction of the wells is scheduled for completion in March 2018 followed by submission of a pump test report to the Massachusetts Department of Environmental Protection (MassDEP) for approval. Engineering and construction of the pump station rehabilitation (Phase II) will take place in 2018.
3. Water Rates Update - The annual update of the Marion Water Rates occurred in 2017. The Board of Water and Sewer Commissioners (Selectmen) voted to implement a water rate increase of 1% to the base charge, 0.5% to the 1st tier, 1% to the second tier, and 1.5% to the third tier. The water rates will be reviewed again in 2018.
4. Emergency Response Plan Training – The Massachusetts Department of Environmental Protection (MassDEP) requires a minimum of ten hours of Emergency Response Plan (ERP) training for public water supply staff on an annual basis. Members of the Mattapoissett River Valley Water District (District) received this training in December 2017. The training course was instructed by Tata & Howard, Inc. and offered to District water supply personnel, including the Marion Water Division, in one of two eight-hour training sessions.

5. Committee for Marion-Rochester Water Agreement Renewal – The Committee met twice in 2017 to continue its review and update of the water agreement between Marion and Rochester set to expire in April 2021. Committee members include Jody Dickerson (Marion), Rob Zora (Marion), Paul Dawson (Marion), Fred Underhill (Rochester), Naida Parker (Rochester), and Suzanne Szyndlar (Rochester). Meetings held in 2017 included discussions on the proposed content of the new agreement, leading to completion of a draft document by Rochester Town Counsel at the end of 2017. The draft document will be reviewed by Committee members and discussed during upcoming meetings in 2018.
6. Other Proposed Projects for 2018 – Other projects scheduled for 2018 include an update of the Water Division's Rules, Regulations, and Standard Specifications for Water Main Installations, and completion of an annual update of the Water Rate Study. The Water Division plans to seek funding at the 2018 Marion Spring Annual Town Meeting to complete engineering construction services and construction of the County Road Water Main and Meter Vault Installation. In addition, the Water Division may seek funding for design of approximately 5,700 linear feet of replacement water main in Mill Street (Route 6) from the Mill Street Water Storage Tank to Rocky Nook Lane.

The Marion Water Committee would like to extend its gratitude to Rebecca Tilden for her continued efforts as the Clerk for the Committee and Fred Underhill for his input and commitment to the Committee as a representative from the Town of Rochester.

Respectfully submitted,

Paul Dawson (Town Administrator)

Brian Jackvony (Fire Chief)

W. Dale Jones

David K. Pierce (Chairman)

Rebecca Tilden

Robert Zora (DPW Superintendent)

Frederick Underhill (Chairman, Town of Rochester Water Commission)

**Report of the
BUILDING COMMISSIONER**

Dear Honorable Board of Selectmen:

I am pleased to provide the following report on the activities of the Marion Building Department for the year 2017. It proved to be another active year for building permits and zoning cases. The single family homes at Fieldstone Lane are well under way.

The Building Department was visited by Department of Conservation and Recreation in regards to flood zone construction. We received thumbs up for having good documentation and record keeping.

I am honored to serve the town and the residents in the capacity of Building Commissioner and look forward to many more productive years.

Respectfully submitted,

Scott C. Shippey

Report of the ZONING BOARD OF APPEALS

To the Honorable Board of Selectmen:

The Zoning Board of Appeals has the responsibility under Chapter 40A of the Massachusetts General Laws to act as the Town's Special Permit Granting Authority in matters concerning the application or interpretation of the Town's Zoning By-laws. The Board is comprised of five regular members, plus three alternates, and holds hearings upon request by property owners seeking relief from restrictions regarding the use of their property.

During the year 2017, a total of 11 public hearings were held, seven of which were for special permits, one for a variance, and three were seeking relief from the decision of the Building Commissioner. Of the applications for special permits, five were granted, one was denied and one was withdrawn. The application for a variance was granted, and of the three requests for relief, one was granted, one was withdrawn and one has been carried over to 2018, pending the Board's decision at the time of this submittal.

Respectfully submitted,

Marc A. Leblanc
Chairman

Total hearings in 2017:	11
Special Permits:	5 granted 1 denied 1 withdrawn
Variances:	1 granted
Relief from a decision of Building Commissioner:	1 granted 1 withdrawn 1 pending outcome

Report of the FACILITIES MANAGER

To the Honorable Board of Selectmen:

I am pleased to submit my fifth annual report of the Marion Facilities Department for 2017.

Our first major project of the year was to renovate the newly acquired Community Center. This building was donated to the Town by the Veterans of Foreign Wars - Benjamin D. Cushing Post #2425 on November 7, 2016. Funds were appropriated by the Finance Committee to begin work remodeling and upgrading the building for the use of the Council on Aging and the Recreation Department. Renovations included demolition and cleanup of the existing spaces. All interior finishes were upgraded with new paint, tile and carpet. Restrooms, doorways and elevation changes were all brought up to current ADA codes. The kitchen was remodeled and upgraded to meet current Board of Health codes and a new fire alarm system was installed to meet today's NFPA codes. We were able to retrofit some existing storage spaces to add a small conference room and laundry room. The old boiler was replaced with a new lightly used boiler that was donated to the town two years ago. Tabor Academy graciously donated funds to the project. This money will be used to upgrade all of the remaining fluorescent light fixtures to LED, insulate the attic space above the main hall and kitchen, and add a push button automatic door opener at the main entrance for guests needing assistance.

The Music Hall endured two major insurance claims this year. The first incident occurred in early September when a water supply line in the second floor ladies room burst, causing water damage throughout both restrooms and reading room below. As a result, plumbing was repaired, and both restroom floors were replaced. The reading room ceiling and light fixtures were replaced as well as the antique heart pine flooring. The second incident occurred in late October, when a backflow preventer failed in the boiler room located on the second floor above the kitchen. The kitchen was flooded and had to be completely gutted. All walls, ceilings, floors and cabinetry were replaced. On a separate project, the main hall chandeliers were upgraded with dimmable LED lights and ballasts. This upgrade will reduce energy costs and add more flexible lighting options for various events.

The Evergreen Cemetery gazebo was in major need of repair. We replaced the roof and rotted trim, added cross bracing, and painted it to match the old storage building. This spring we will make a new finial for the peak of the roof and add new seating on the interior. We installed much needed new signs at Bicentennial Park and the Elizabeth Taber Library/Natural History Museum. I'd like to thank the carpentry students and faculty at Upper Cape Regional Technical High School for all of their assistance with the CNC machine work. We also installed a new roof at the DPW Barn, which had recently started leaking and damaging items in the rear storage room.

After more than one hundred years of settling, structural repairs and shoring needed to be addressed in the floor framing below the Collector's and Harbor Master's office at the Town Hall. The initial findings were reported in the existing conditions assessment prepared by Durland - Van Voorhis on January 14, 2011. The repairs were fairly extensive. Footings were poured and floors were gradually raised, one section at a time. Posts, walls and beams were added where needed. There are no further structural repairs needed at this time.

At the 2016 Annual Town Meeting, funds were appropriated to replace all windows, doors, siding and trim at Fire Station #1. Moving forward into the next year or two, we will be performing all of this work. The roof was replaced about eight years ago, so with this additional work and proper maintenance, the building's shell will last another 30-40 years. Up to date, all of the second floor windows, dormers and trim have been replaced. The siding will match the Police Station. Clapboards will be installed on the bottom half with a water table and stained cedar shingles will be installed on the upper sections. The entire building will get a new paint job to match as well.

I would like to make a special thanks to all of my seasonal and full time workers in the Facilities Department, Recreation Department, Department of Public Works, Plymouth County Sheriff's Department for their help at the Community Center, T2 Architecture for drafting plans for the Community Center restrooms, Tabor Academy for their generous donation to the Community Center renovation project, and all volunteers for their valuable support, we couldn't have done it all without your help!

Respectfully submitted,

Shaun P. Cormier
Facilities Manager

Facilities Manager S. Cormier, carpenters P. Wood, J. Arruda

**Report of the
SUBCOMMITTEE OF THE TOWN HOUSE BUILDING COMMITTEE**

The committee was formed to study the possibilities and costs associated with building a new town hall on the VFW property recently gifted to the Town. Using a modest amount of money the goal was to provide Marion Taxpayers with a modern building option and actual cost estimate to compare with the estimates for restoring the existing Town House.

The committee set out the following deliverables:

- Develop a modern, efficient office layout suitable to conduct Town business
- Provide one or two architectural elevations to help citizens visualize a new building
- Obtain a professionally-developed cost estimate for the building
- Analyze the financial impact of repurposing the existing Town House into condos or offices
- Present the findings to the Select Board and citizen groups

At year's end the process was underway with results projected to be available for the Spring Town Meeting.

Report of the HEALTH DIRECTOR

To the Residents of Marion and Rochester:

The Health District is pleased to present its 2017 town report. The members of the Marion Board of Health are Chairman John Howard, Vice Chairman Jason Reynolds, and Clerk Elizabeth Dunn.

Kathy Downey, PhD., RN, MSN, MBA is the Public Health Nurse for Marion. She is very active in the community offering Flu clinics, working with nursing students and interns from the Department of Public Health, encourage tick-borne prevention activities, and monitoring communicable disease. These are just a few examples of the ways that Mrs. Downey administers to the residents of Marion.

Maureen Murphy is the Board Administrator for the Marion Board of Health. We thank her for her all of her efforts to keep us organized and current in all Board administrative duties.

I would like to thank Robert Ethier, Food Inspector for stepping in to do our Food Inspections, and John Powers who does our Beach Inspections during the summer months.

Town of Marion Inspections:

Beach Sampling	125
Septic Permits	20
Septic Inspections	60
Title V Inspection Reviews	29
Well Permits	8
Percolation Tests	14
Septic Variances	8
Housing Inspections	10
Complaints	4
Summer Camp Inspections	4
Pool Construction Permits	11
ZBA Request for Comments	4
Restaurant Inspections	66

Respectfully submitted,

Karen A. Walega, MPH, CHO, RS

Report of the PUBLIC HEALTH NURSE

To the residents of the Town of Marion:

Public Health Nursing Services support the health and well-being of the population of the Town of Marion. This is done both by addressing immediate health needs and by anticipating future needs. Nursing services are offered to individuals, families, groups and the community through the public health nurse. These services are offered during clinics, home visits, individually scheduled appointments, group meetings and telephone consultation. Services include but are not limited to health monitoring, immunizations, support groups and health teaching. In addition to weekly participation in Memory Café, nursing clinics are offered regularly at the Town House, the Cushing Community Center and at Little Neck Village.

Flu clinics remain a priority of the Board of Health. Approximately 700 residents received the seasonal flu vaccine during the last flu clinic season. Flu clinics were offered at a variety of sites including the Town House, Sippican School, the Music Hall, Marion Village Estates, Little Neck Village and, in collaboration with the faith communities, in the Community Center of the Marion Congregational Church. In addition, the Board of Health continues to provide vaccines to the uninsured and underinsured when vaccines are available. As a result of a grant, we were able to provide a limited number of Shingles Vaccines to underinsured elders during this past year. Many volunteers contribute their time and skills to make the clinics a success. Please join me in thanking those who volunteer their time and professional expertise to support and promote the health and well-being of the Marion community.

The town nurse collaborates with the Massachusetts Department of Public Health (DPH) in several capacities, including mandated surveillance of communicable disease incidents and outbreaks in Marion. Tickborne diseases, including Lyme Disease, Babesiosis and Anaplasmosis remain a continuing concern in Marion. Educational programming offered during this past year has focused on prevention. Rochester Boy Scout Troop 31, MRC volunteers and nursing students assisted with these community trainings that included treatment of their clothing to prevent tick bites.

The town continues to benefit from its relationship with several area nursing programs. Students have participated in town clinics, vaccination programs, Memory Café, tick education programs, substance abuse prevention programs, suicide prevention programs, emergency preparedness, and postpartum depression support groups. In addition, students and interns have assisted with the development of relevant educational materials and programming that is available to town residents.

Disaster preparedness is an ongoing concern for the Board of Health. We created and distributed 150 preparedness bags to Marion elders during this past year. In addition, we continue to recruit new medical and non-medical members to the Medical Reserve Corps (MRC). This group exists to support the town in its disaster readiness preparations, and training sessions are offered to the MRC members online and in person. We continue to need volunteers who can help with a variety of functions including but not limited to greeting, registration, security, traffic flow, communications, inventory management, data management, event planning, animal care, childcare, behavioral health, nursing and medically trained personnel. All town residents are encouraged to consider joining the MRC to help us assure that our community is ready to respond to threats that might arise to the health and well-being of our community.

The Marion-Rochester Health District is a collaborator on two regional prevention grants secured through the City of New Bedford Health Department addressing opiate use prevention and underage substance use. Within the town of Marion, there continues to be significant collaboration with individual community members, businesses, faith communities, EMS, fire department, police, and the Old Rochester Regional School District to promote the goals of these grants. Examples of how we have used the funding from these grants included Dr. Ruth Pottee's presentation to the community on the Adolescent Brain and Substances; Junior High School students' participation in Drug Story Theater; opiate education and Narcan training; Hidden In Plain Sight programming; and Medication Lock Boxes being provided to area residents. The Board of Health invites all interested individuals and groups to join us in our effort to prevent opiate abuse regardless of age and curb underage use of all drugs, including alcohol and marijuana.

The Healthy Tri-Town Coalition is a collaborative effort between the Old Rochester Regional School District and the Tri-Town community. The Tri-Town Public Health Nurses are active participants in this coalition. Significant concerns being addressed include mental health and substance use, particularly underage consumption of alcohol, marijuana and other drugs. Participation in this coalition is open to all community members.

As we anticipate the future health of our community, it is important that we all give consideration to the needs of our youth as they navigate mental health issues and challenges associated with substance use. Recent changes in adult use marijuana laws have created an environment of mixed messages for our youth about substances. As a community, we need to support our youth, their parents and schools in providing a clear message that discourages underage substance use including alcohol and marijuana.

Respectfully submitted,

Kathy Downey, PhD, RN, MSN, MBA
Public Health Nurse

Report of the MARION COUNCIL ON AGING

The Marion Council on Aging took occupancy of the Benjamin D. Cushing Community Center in June. With this move the Council's offices and programming space are now contained under one roof. We were very pleased to host an open house in August and acquaint the community with the updated center. We would like to thank the members of the VFW for their vision in transferring the building to the town of Marion so that it will continue to serve the community as well as the Music Hall Committee for providing a venue for hosting our programming. Tabor Academy graciously offered use of the Great Room on their campus as another option to support programming. We would like to recognize Shaun Cormier and the Facilities Department, Plymouth County Sheriff's Department, Friends of the Marion Council on Aging, Pilgrim Bank, Marion Police Brotherhood and Marion Fire Association who made significant contributions in making the center a warm and welcoming environment.

The Council on Aging's mission is to advocate on behalf of Marion's Older Adult population and to strive to enhance their quality of life in the community. We have endeavored to achieve this mission through many avenues. The Council on Aging provides transportation to medical appointments, grocery shopping, personal errands and pleasure trips to various points of interest. The vans that are utilized for transportation are also employed in the delivery of Meals on Wheels and the delivery of library books and durable medical equipment.

Exercise classes for every level of ability are offered throughout the week. In 2017 there was an addition of two new exercise classes; Group Fitness with Janet Memoli, offered in conjunction with YMCA, and Zumba with Pati Cautillo. Zumba arose out of a partnership with the Elizabeth Taber Library, where we joined forces in the spring to offer a free outdoor Zumba class for the community. Sippican Lands Trust sponsored three hikes at their holdings within Marion. Health Education remained a focus of our efforts by presenting speakers to address health concerns of our population, including partnering with Community Nurse to run a Diabetes Bootcamp and a Savvy Caregiver Program led by Coastline Elderly Services, Inc.

The educational lecture series continued offering informative and entertaining selections.

Services offered throughout the year include SHINE, Boston Food Bank Commodity Program, podiatry, legal consultations, dental hygiene services, adult grief support group and an AARP Smart Driver's Course.

Coastline Elderly Services, Inc. began meal service in July. Meals are served Monday through Friday, it is an opportunity where seniors can come together to enjoy a nutritious meal and socialize with friends and neighbors.

Memory Café celebrated its one year anniversary in September. The Café is a weekly gathering for individuals with memory loss for their care provider, family or friend to come together in a safe environment for an afternoon of stigma free socialization. As a natural addition, the Council on Aging also started a Memory Loss Support Group that is led by the Community Nurse.

The Council on Aging also received a grant to take part in hosting a 50+ Job Seekers Networking Group.

Since moving into our new location we have been able to expand our mahjong group as well as add new programs such as Duplicate Bridge and a series of basket weaving classes.

I would like to recognize the dedicated staff and volunteers who work together to provide the Older Adult population of Marion such exemplary services.

As I look to the future I am excited for the possibilities before us for growth and expansion.

**Report of the
MARION AFFORDABLE HOUSING TRUST**

To the Honorable Board of Selectmen:

The mission of the Marion Affordable Housing Trust is the creation and preservation of housing in Marion for the benefit of low- and moderate-income households. In achieving our mission, we seek:

1. To promote a variety of affordable housing options for those with modest income, including young adults, families, long-time residents, the elderly, downsizers, returning Marion natives and municipal employees.
2. To preserve the natural, historic and seaside character of our Town and to nurture our sense of a diverse, yet integrated community.

Activities for the Trust in 2017 included:

1. The Trust continues to actively search for potential properties suitable for affordable housing development.
2. The Trust worked throughout the year with SRPEDD and the Council on Aging to obtain public transportation for the Town.
3. The Marion Affordable Housing Trust continues to look at the possibilities of zoning changes and mixed-use development to promote affordable housing.
4. The Trust continues to cooperate with the Planning Board on matters of Zoning and for possible amendments to the Zoning Bylaws that will encourage affordable housing in appropriate areas of the Town.

We wish to express our appreciation to Town Administrator Paul Dawson and Town Counsel Jon Witten.

Respectfully submitted,

Ruth Olson, Chairman

REPORT OF PLYMOUTH COUNTY MOSQUITO CONTROL PROJECT

The Commissioners of the Plymouth County Mosquito Control Project are pleased to submit the following report of our activities during 2017.

The Project is a special district created by the State Legislature in 1957, and is now composed of all Plymouth County towns, the City of Brockton, and the town of Cohasset. The Project is a regional response to a regional problem, and provides a way of organizing specialized equipment, specially trained employees, and mosquito control professionals into a single agency with a broad geographical area of responsibility.

The 2017 season began with normal amounts of precipitation but became drier as the season progressed. Efforts were directed at larval mosquitoes starting with the spring brood. The Project ground and aerial larvicided 15,032 acres and this was accomplished using B.t.i., an environmentally selective bacterial agent. Upon emergence of the spring brood of mosquitoes, ultra-low volume adulticiding began on June 5, 2017 and ended on September 8, 2017. The Project responded to 14,209 requests for spraying and larval checks from residents covering all of the towns within the district.

Massachusetts Department of Public Health has developed an “Arbovirus Surveillance and Response Plan” for the state. The Plan creates a system which estimates the human risk for contracting Eastern Equine Encephalitis and West Nile using a several factors including the number of infected mosquitoes. Based on guidelines defined by the Plan, all towns in Plymouth County Mosquito Project were at the “Low Level Risk” for Eastern Equine Encephalitis. We are pleased to report that in 2017 there were no human, or horse EEE cases in the district. There were also no detections of EEEV in the mosquito population.

West Nile Virus was active in Massachusetts. This summer, WNV was found in mosquitoes 17 times in the district. The virus was found in Abington, Bridgewater, Halifax, Kingston, Lakeville, Marion, Middleborough, Plymouth, West Bridgewater, and Whitman. In response to these findings DPH estimated that there was a moderate risk of contracting WNV in Abington, Bridgewater, Brockton, East Bridgewater, Halifax, Hanover, Hanson, Kingston, Pembroke, Plymouth, Plympton, Rockland, West Bridgewater, and Whitman. There were no human or horse cases of WNV reported in the district. The Project responded to the increased risk by conducting additional surveillance, larviciding, and adulticiding. As part of our West Nile Virus control strategy a total of 50,694 catch basins were treated with larvicide in all of our towns to prevent WNV.

The Health threat of EEE and WNV continues to ensure cooperation between the Plymouth County Mosquito Control Project, local Boards of Health and the Massachusetts Department of Public Health. In an effort to keep the public informed, EEE and WNV activity updates are regularly posted on Massachusetts Department of Public Health website.

In conjunction with the MDPH we have been monitoring *Aedes albopictus* expansion in the state. *Ae. albopictus* is an introduced mosquito that has the potential to become a serious pest and a vector of disease. The mosquito has been present in the Massachusetts since 2009. The

larvae live in containers and are closely linked with human activity. They are especially associated with used tires. Our surveillance detected *Ae. albopictus* in the District for the second year. In response we reached out to the affected landowners and removed tires from the site. The Project began a tire recycling program in October 2017. Since the program started, we have recycled 3,346 tires.

The figures specific to the town of Marion are given below. While mosquitoes do not respect town lines the information given below does provide a tally of the activities which have had the greatest impact on the health and comfort of Marion residents.

Insecticide Applications: Our greatest effort has been targeted at mosquitoes in the larval stage, which can be found in woodland pools, swamps, marshes and other standing water areas. Inspectors continually gather data on these sites and treat with highly specific larvicides when immature mosquitoes are present. In Marion 165 larval sites were checked.

During the summer 534 catch basins were treated in Marion to prevent the emergence of *Culex pipiens*, a known mosquito vector in West Nile Virus transmission.

Our staff treated 936 acres using truck mounted sprayers for control of adult mosquitoes. More than one application was made to the same site if mosquitoes reinvaded the area. The first treatments were made in June and the last in September.

Water Management: During 2017 crews removed blockages, brush and other obstructions from 2435 linear feet of ditches and streams to prevent overflows or stagnation that can result in mosquito production. This work, together with machine reclamation, is most often carried out in the fall and winter.

Mosquito Survey: Our surveillance showed that the dominant mosquitoes throughout the district were generally *Coquillettidia peturbans* and *Culex salinarius*. In the Town of Marion the three most common mosquitoes were *Cs. melanura*, *Cx. species* and *Cx. salinarius*.

We encourage citizens or municipal officials to visit our website at www.plymouthmosquito.org or call our office for information about mosquitoes, mosquito-borne diseases, control practices, or any other matters of concern.

Report of the VETERANS AGENT

The Veterans Services Office serves the Towns of Rochester, Mattapoisett and Marion. It is located at the Mattapoisett Town Hall at 16 Main Street, Mattapoisett, MA. The Office is open Tuesday, Wednesday and Thursday, from 8 A.M. to 4 P.M. The telephone number is (508) 758-4100, Ext. 7. Like many departments we had some personnel changes in 2017 with the retiring of Paula Butterfield and the hiring of her replacement, Jo-Ann O'Malley our Veteran's Services Administrative Assistant. The Veterans Service Office assists Veterans and their dependents as stated in Chapter 114-Medical Benefits and Chapter 115-Ordinary Benefits under Massachusetts General Laws. The Office submits Chapter 115 cases to the Massachusetts Department of Veterans Services (DVS) for approval and recovers up to 75% of all applicable costs of assisting local Veterans on a monthly basis. Our office files claims and explores every avenue of resources and revenue available. Our office continues to deal with Veterans and their families on an individual basis to see that they receive assistance when needed. The case load continues to rise on a yearly basis.

In 2017, the office processed numerous claims for federal benefits, including VA pensions, Discharge Requests to War Records, Educational Benefits, VA loans, VA Aid and Attendance, Requests for Medals, arranging honor guards for funerals, Iraqi bonus applications, annuity claims, VA license plate requests, and EVR verification forms. In October, the Agent and Administrative Assistant attended mandatory trainings under Massachusetts Chapter 115 benefits and Federal VA benefits. Every three years mandatory certification is now required for the Veterans Agent.

In conjunction with the Florence Eastman Post 280-American Legion, our office arranged the ceremonies for Memorial Day and Veterans Day. The Veterans agent and Clerk attended the Veterans Day Banquet at the Rochester Council on Aging. We supported the efforts of "Stand Down Boston" collecting over 550 pairs of socks from our community.

Sincerely,

Barry J. Denham, Veterans Agent
Department of Veterans Services
Towns of Mattapoisett, Rochester, and Marion

Report of the POLICE DEPARTMENT

To: The Honorable Board of Selectmen

I am pleased to offer this report on the activities of the Marion Police Department for 2017.

There were some personnel changes in the department during the year. Officer Karen Ballinger retired. Special Officer Sean Day was promoted to full-time in October. Adam Nawoichik was hired as a part-time dispatcher.

A domestic violence incident in September resulted in gunshots being fired by the suspect, at the victim. A subsequent police pursuit of the suspect ended in a crash and arrest of the suspect. The officers involved responded professionally and brought the incident to a conclusion, without any injuries.

I am proud to report that Marion's crime statistics remain low. It is through the combined efforts of the officers and citizens that make Marion a safe place to reside.

In November, the department was upgraded to the new Next-Generation 9-1-1 system. This system provides the most up to date software and hardware, enabling officers to better locate a caller, during an emergency.

I announced my intention to retire at the end of 2017. After a thirty-five year career, the last eighteen years as Police Chief, I felt it was time to step aside. It has been an honor to serve as your Chief of Police. This town has been a great place to live, work and raise a family.

Lt. John Garcia was selected to become the next Chief of Police, on January 1, 2018. I know that I am leaving the department in good hands and I wish him, and all the members of the department, the best of luck.

I would like to thank the other town departments for all their assistance and support throughout the past year. Finally I wish to offer my gratitude to all the members of the Marion Police Department for all their dedication to keeping Marion a safe place to live.

Respectfully submitted,

Lincoln W. Miller
Chief of Police

**Report of the
ANIMAL CONTROL OFFICER**

To: The Honorable Board of Selectmen

The Animal Control Officers responded to 310 calls for service during 2017. Those calls involved unrestrained dogs, barking dog complaints, dog bites and deer struck by motor vehicles, just to highlight a few. The Animal Control Officers also assisted neighboring communities, when their officers were unavailable.

We continue our relationship with the Southcoast Humane Society and Shelter in Dartmouth, where all dogs and cats impounded by the Animal Control Officer are taken.

Wild animals continue to be a source of complaint by many residents. Many wild animals will come into neighborhoods looking for a food source. To help prevent this, residents should make sure that potential food sources are not left outside. This would include unsecured garbage cans and pet food dishes. Never feed a wild animal! Remember, a wild animal may carry diseases, such as rabies. Do not pet or handle a wild animal.

I would like to remind our dog owners that the Town of Marion has a leash by-law in place. This is a passive leash law, whereby dogs under verbal command of their handlers are considered leashed. If a dog does not respond to the commands, they are not considered to be leashed. This by-law applies to all areas of town. The town also provides pet pick-up containers at local parks, such as Silvershell Beach, Island Wharf and Washburn Park. Please be considerate of others and pick up after your pet!

Longtime Assistant Animal Control Officer Donna Leonardo resigned this year. I thank her for her many years of service. Adam Murphy was hired as an Assistant Animal Control Officer.

My thanks go to Animal Control Officer Susan Connor and Assistant Adam Murphy, for their fine work throughout the past year. Additionally, I would like to thank Rob Zora and his crew at the D.P.W. for their continued assistance.

Respectfully submitted,

Lincoln W. Miller
Chief of Police

**Report of the
MARION EMERGENCY MANAGEMENT AGENCY**

To: The Honorable Board of Selectmen

I am pleased to offer this report on the activities of the Marion Emergency Management Agency for 2017.

We were fortunate that no major storms struck our area during the year. One wind storm did take down some trees and utility lines in late October, resulting in some minor damage.

The town has begun the process of establishing a Local Emergency Planning Committee (LEPC). Fire Chief Brian Jackvony has been selected as the Community Emergency Response Coordinator. He will chair the LEPC. The LEPC will establish a written response plan for responding to hazardous materials incidents, train emergency responders, conduct planning exercises, and collect and store data, in compliance with public records laws.

As I will be retiring at the end of this year, the next Police Chief, John Garcia, will be taking over as the new Emergency Management Director.

I would like to thank all the town departments for their assistance throughout the past year, and their continuing support in keeping Marion well prepared.

Respectfully submitted,

Lincoln W. Miller
Emergency Management Director

Report of the PARKING CLERK

To the Honorable Board of Selectmen:

This has been the thirty-fifth year the Town has been involved with the Plymouth County Parking Enforcement Program. The Town pays \$1.50 per ticket to this Program, which then pursues parking violators until fines are paid.

Violators should be warned that this pursuit becomes most annoying when automobile license and registration renewals are blocked until such fines are paid. Fines may be paid on-line at www.plymouthcountyparking.com.

This year \$1,480.00 were collected in fines, \$1,265.50 of which were returned to the Town.

I wish to thank Donna Hemphill, Administrative Assistant, for her dedication and for the respect and courtesy she extends to all Marion residents.

Respectfully submitted,

Jonathan E. Dickerson
Parking Clerk

Photo by D. Hemphill

Report of the FIRE/EMS DEPARTMENT

We respectfully submit our 2017 Annual Report for Marion Fire/EMS.

As happens almost every year, we have once again experienced a change in personnel. We lost the following part time staff members: Paramedic's Elissa Lopez, James Gonneville and Ryan Hughes and recruit Firefighter Nathan Castonguay.

New members include Firefighters James Monteiro and Joseph Tripp, EMT Steven Rodriguez and Paramedic Kevin Dyer.

Firefighter Brooks Wilson has been promoted to the Rank of Lieutenant and continues in the role of Incident Safety Officer.

Several members have achieved professional status this year: EMT Wendy Ashworth achieved Paramedic status, Firefighter's Blizzard, Carroll, Lima and McGlinn graduated from the MA Fire Academy Call/Vol Fire Academy. We have two members enrolled in the 2018 MA Fire Academy Call/Vol Fire Academy.

In 2017 two of Marion's Firefighters deployed to declared disasters in Florida and Puerto Rico. FF Raymond Reimold deployed to Florida for two weeks as part of an emergency operations team and FF Dylan Glavin deployed to Puerto Rico for 2 months serving as Deputy Emergency Service Branch Director. Both members represented the Town of Marion with great distinction during these natural disasters.

A new program has been designed to provide training to our current and future officers. We feel that officer development is an important topic to ensure that our leaders have the tools and talent to move the department forward. This program has been well received and will continue into the future to make certain that this department meets the expectations of our residents.

We have completed the installation of a new emergency generator at station one. The new unit powers the entire building in the event of power loss maintaining our communication systems without interruption. Also completed at station one is a new fire alarm system that will report the presence of smoke or carbon monoxide in the building. This project was necessary to protect our members from these dangers. New source capture exhaust systems have been installed at station and station two. These units remove the harmful diesel exhaust from the stations when the apparatus is started. Both the fire alarm and source capture exhaust systems were funded through a Federal Emergency Management Agency (FEMA) grant. Other pending capital projects that we are working on include upgrading our fire reporting program; new security systems, a new command vehicle and air conditioning for the second floor at station one.

Call Activity:

We responded to a total of **1297 calls in 2016. This represents a slight decrease from the previous year.** The busiest day of the week is Thursday. The busiest time of day is between 9 am and noon. Mutual aid medical calls include 40 to Mattapoisett and 34 to Wareham. Medical

responses by reasons include falls, motor vehicle crashes and difficulty breathing as the most common occurrence.

These calls included:

Series	Heading	Volume
100	Fire	32
200	Overpressure Rupture Explosion, Overheat (No Fire)	1
300	Rescue and Emergency Medical Service (EMS)	848
400	Hazardous Condition (No Fire)	61
500	Service Call	70
600	Good Intent Call	76
700	False Alarm and False Call	200
800	Severe Weather and Natural Disaster	3
900	Special Incident Type	6
	Total call Volume	1297

Permits & Inspections:

Fire & Life Safety	109	Smoke & CO Detectors	156
Fire Detection Systems	4	Fire Suppression System	2
Marine Fueling	2	Oil Burner/Tanks	49
Cargo/Transfer Tan	4	Tank Removals	3
Unvented Gas Heaters	4	Explosive Storage	2
LP Storage	39	Fireworks Permits	5
Tents	65	Open Air Burning	307

In closing, we wish to extend our sincere thanks to Administrative Assistant Cindy Visotski, Marion Police, the various Town Boards, Committees and Departments, the Honorable Board of Selectmen, and especially Paul Dawson, Town Administrator, for their cooperation and support. We are proud to represent Marion Fire/EMS and look to continue the excellent level of service provided to Marion residents and those that pass through our community by the dedicated men and women of this department.

Respectfully submitted,

Brian Jackvony

Report of the RECREATION DEPARTMENT

To the Honorable Board of Selectmen:

It gives me great pleasure and it is an honor to submit to you the sixty third annual report of the Recreation Department.

Once again, with the aid of many volunteers, dedicated staff and municipal employees, the Recreation Department offered a variety of programs (56) for all ages throughout the year. Here are the highlights of 2017:

Benjamin D. Cushing Community Center:

On July 1, 2017, the Recreation Department moved to its new location at the Benjamin D. Cushing Community Center, 465 Mill Street. After a joint effort with the Facilities Department, Department of Public Works, Recreation Department, and several volunteers, this department and the Council on Aging began operating our programs in a shared, newly renovated facility. We thank everyone who participated for their assistance in making this project a success.

Maintenance of Property:

It has been, and continues to be, a priority of the Recreation Department to maintain the facilities that come under its management.

The seven playing fields, along with the grounds at Washburn Park, Point Road School Playground, Town House Field, Sippican Field and Silvershell Beach had extensive use this past year. With the seasonal extensive use comes maintenance upkeep, and our part-time seasonal employees have done an outstanding job in maintaining these properties.

2017 was the seventh year that Marion participated in the Old Rochester Little League (Marion, Mattapoisett, and Rochester). More than 60 youngsters from Marion participated in the program.

For many years the Town of Marion participated in the Gateway Babe Ruth League (Acushnet, Bourne, Fairhaven, Marion, Mattapoisett, Onset, Rochester and Wareham) with great success, and this year was no exception.

Silvershell Beach & Summer Program:

The lifeguards did an outstanding job making the beach safe, friendly, clean and enjoyable. Weekly training exercises, along with daily meetings, were conducted to ensure that safety was the #1 priority. We received many comments on the professionalism of the lifeguards, summer program counselors, and beach staff were this year. Swimming lessons were offered to Marion and Rochester residents.

In accordance with State regulations, daily water testing was conducted at Silvershell Beach by the Marion Board of Health to assure the quality of water for swimming. As a friendly reminder to dog owners, dogs are not allowed on the beach from April to September. Dog waste can and has jeopardized the quality of water at the beach. Test results showing elevated levels of certain bacteria could cause temporary closure of the beach during the busiest time of the year.

Fall:

Fall Recreation Soccer, along with Travel Soccer, had more than 450 children between the ages of 3–13 participating this year. This was the second year that we participated in the South Shore Soccer League, in which we had great success.

Other Programs:

The many other programs include Dance, Musical Theater, Hip Hop, Line Dancing, Vacation Fun Days, Babysitting Course, Home Alone, Youth Basketball, Adult Basketball, Men's Hockey, Women's Hockey, Wrestling, Public Skating, Sailing, Volleyball, Adult Classes, Kids' Equipment Day, Pizza with Santa, Lego Club, Art Camp, and Silvershell Summer Program.

I would like to extend by sincere gratitude for the valuable support of the Department of Public Works, Facilities Department, Marion Police, Fire, and Harbormaster Departments. Also, Tabor Academy, Rochester Parks Department, Marion Police Brotherhood, Sippican School, Town House staff, and the dedicated Recreation Department employees, especially Nathan Vaughan. Tremendous gratitude and regard for the numerous coaches, volunteers and residents who serve throughout the year - they make it possible to offer so many outstanding recreational opportunities to the citizens of Marion.

Respectfully submitted,

Jonathan E. Dickerson, Director

Pizza with Santa, photo by J. Dickerson

Report of the HARBORMASTER

To the Honorable Board of Selectmen:

I would like to thank the Board of Selectmen and the Town of Marion for the opportunity to serve as your Harbormaster. I am pleased to submit this report on the state of Marion's waterways and our activities over the past year.

The Harbormaster's longtime secretary, Barbara Mauro, retired at the beginning of March. She worked for several departments over the years at the Town House. Many thanks to Barbara for her years of dedicated service. Our new Administrative Assistant is Donna Hemphill and we are happy to have her on board.

New kayak racks were constructed at Island Wharf and Old Landing. The racks were very well received and each location already has a waitlist.

Safe boating practices have always been and will continue to be a priority. Through our Boater Safety Classes and public outreach programs we try to instill in boaters a heightened sense of awareness when on the water. While a majority of boaters are very competent on the water there are always a few that are not. In most cases we have found it to be more productive to use these interactions as teaching moments rather than the end result being a citation.

2017 was very busy as compared to previous years. While we didn't see a large increase in call volume we did experience an increase in the severity of those calls. A storm over the last few days on October visited 60 to 70 mph southeasterly gusts over the entire region. During that storm alone we responded to over a dozen individual vessels that had broken free and were either adrift or ashore.

Thank you to the members of the Marine Resources Commission for their support and guidance and all the Town Departments that provide valuable assistance throughout the year, this help is greatly appreciated.

Respectfully submitted,

Isaac W. Perry
Harbormaster

Report of the SHELLFISH OFFICER

To the honorable Board of Selectmen:

I would like to thank the Board of Selectmen and the Town of Marion for the opportunity to serve as your Shellfish Officer. I am pleased to submit the following report on the state of Marion's shellfish resources and my activities over the past year.

The past year was a successful growing season. We received funding from the B-120 settlement allowing us to purchase 850,000 Oyster seed. This is a large increase from our current program of 200,000 pieces. This program is scheduled to continue for the next two years.

We are pleased to report that we had a floating dock donated to the Shellfish program. This dock has given us a great work platform that works well in conjunction with our floating upweller, allowing us to maximize productivity. The large increase in product was challenging with the current equipment we had, so this dock was a huge benefit to our program.

This year we continued our program planting 100,000 soft shell clams. This year's survey showed the population of soft shell clams are doing well. We are pleased to see the public taking advantage of the abundance of shellfish available to them.

Unfortunately, this year's plans to continue the quahog relay in Planting Island was pushed off one year due to funding issues at the state level. We are scheduled to receive the funding this upcoming season. This will allow us to continue the 800 bushel relay and help build on the quahog population in Planting Island Cove.

This year we have had multiple inquiries regarding commercial aquaculture grants. A few have applied to the board and are in the rigorous process to acquire a half acre location. To date we have 4 half acre locations successfully operating in Marion. We have one applicant in the beginning stages to acquire a second half acre location.

I would like to thank the members of the Marine Resources Commission for their support and guidance as well as all the Town Departments that provide valuable assistance thought out the year, this help is greatly appreciated.

If anyone has any comments or suggestions, feel free to call or stop by the office.

Respectfully submitted,

Adam C. Murphy
Shellfish Officer

**Report of the
MARINE RESOURCES COMMISSION**

To the Honorable Board of Selectmen:

The MRC is pleased to submit the following report of activities for 2017.

The Commission continues its work, together with the Harbormaster's Office, for the betterment of the Town of Marion's waterways.

This year presented changes to the Commission's membership and structure. Peter Wallace retired from the MRC in March. He will be greatly missed for his years of commitment and service to both this committee and the Town of Marion.

We welcomed Jim Feeney as our new member and Joe Guard in our newly created position of alternate member.

The MRC, together with the Harbormaster's Office, acts as the oversight committee for Bird Island. This year the State, with Federal and State funds, completed a rebuilding of the protective sea wall and tern nesting areas on the island.

The MRC continues to review and update waterways and aquaculture regulations and to aid in the budgeting process.

The Bouchard Oil Spill restitution funds to the cities and towns bordering Buzzards Bay were finally received and will be used by our Shellfish Department for the purchase of shellfish seed.

I wish to thank the members of the MRC for their continued hard work. Also, the Board of Selectmen, Paul Dawson, Judy Mooney, and the Town House staff for their continued assistance and support.

Respectfully submitted,

Gregory W. Houdelette, Chairman
Vincent Malkoski, Vice-Chairman
James Feeney, Secretary
Peter Borsari
Carlton Burr, Jr.
Scott Cowell
Eivind Strand
Joe Guard, Alternate Member

**Report of the
BIRD ISLAND LIGHTHOUSE RESTORATION COMMITTEE**

To the Honorable Board of Selectmen

Throughout 2017, between the Marion Natural History Museum's Afterschool Program and Marion Recreation's Silvershell Summer Program, we made multiple trips to the island. During the spring and fall trips, participants have the opportunity to go ashore and into the lighthouse while summer participants enjoy the island from the water as a result of the island's "very protective" tern population. We will continue looking at ways to better facilitate public access to the historic island and nearly 200 year old Bird Island lighthouse.

The Bird Island Restoration Project, which consisted of a new seawall, fill, and improved habitats for the terns, was completed in the spring of 2017. This project has its roots going back to the early 2000's, and the seawall and fill will provide the island and 198 year old lighthouse with much needed protection from summer and winter storms for many years to come.

Bird Island Lighthouse will turn 200 years old in 2019. We are looking forward to celebrating the Bicentennial with the community.

The Committee and I continue to move forward with maintenance and restoration projects. I would like to thank the Marine Resources Commission and the Harbormaster crew for their dedication and support for our ongoing projects. I look forward to working with everyone in the upcoming season.

Respectfully Submitted,

Isaac W. Perry, Harbormaster
Stephen Gonsalves
Jeff Doubrava
Joseph Keogh
Douglas H. Watson

Energy Management Committee 2017 Annual Report

Our committee continues its search for ways to reduce Marion's energy costs and the town's use of fossil fuels. A list of our current projects includes the following:

- **Future Generation Wind** In its first full year of production the Future Generation Wind project in Plymouth produced actual savings of more than \$91,000 in Marion's municipal electrical costs. This small land-based wind farm uses Buzzards Bay's reliable breezes to generate power and net meter it to Marion, Rochester, the Old Rochester Regional High School, New Bedford, Duxbury, Cape and Vineyard, and several public schools in nearby towns at savings between 20 and 30%
- **Electric Vehicles (EVs)** The four EVs that the Town leased to provide clean, economical transportation for municipal department personnel are performing well for the Department of Public Works, the Building Department, the Recreation Department, and the Council on Aging.
- **Conversion of Existing Streetlights to Light-Emitting Diode (LED) Fixtures** The 2017 Fall Town Meeting voted its approval of our motion to appropriate funding for purchasing and replacing over 300 existing cobra-head streetlights with new LED fixtures. We are now providing oversight for this project which will pay for itself with savings in power and maintenance costs in just four years. The new lights will be night sky friendly while improving the safety of our roads.
- **Benson Brook Solar Farm** Our effort to place a solar array on the Town's capped landfill has been delayed due to Eversource's unwillingness to provide a grid connection at acceptable cost.
- **Contributions to Marion's Master Plan** We assisted in preparing the "Resilience to Climate Change" section of the Master Plan.
- **Electric Vehicle "EV" Charging Stations** We are presently investigating the feasibility of furnishing one or two public EV charging stations near the center of the village for visitors to the town.

Longtime member of the commission Norm Hills was elected to the Board of Selectmen, and replaced by Christian Ingerslev.

Bill Saltonstall

**Report of the
CONSERVATION COMMISSION**

“Considering the whole span of earthly time....Only within the moment of time represented by the present century has one species – man - acquired significant power to alter the nature of the world”
- Rachel Carson

To the Honorable Board of Selectmen:

During the year ending in December 31, 2017 the Marion Conservation Commission issued:

- 32 Determinations of Applicability
- 13 Orders of Conditions
- 1 Amended Order of Conditions
- 5 Extension Permits
- 1 Enforcement Order
- 11 Certificates of Compliance
- 2 Partial Certificates of Compliance

Of the 13 Orders of Conditions two were denied by the Marion Conservation Commission and appealed to the Department of Environmental Protection (DEP). In both cases the DEP affirmed the Conservation Commission’s decisions.

These documents were written and approved at the 24 meetings plus 1 special meeting held by the Conservation Commission during the year. Prior to each meeting, the Commission members conducted 112 Saturday morning site visits in support of the meeting agenda or for inspection of potential violations. The meetings and site visits represent over 900 hours of volunteer service this year.

There were three Commission changes this year: Shaun Walsh moved from Associate Member to Full Membership after the resignation of Lawrence Dorman; Jim Verni was appointed as an Associate Member; Administrative Assistant Donna Hemphill moved to the Harbor Master’s Office; and Elizabeth Magauran was appointed as our part time Administrative Assistant. Norman Hills tendered his resignation to the Commission upon being elected to the Board of Selectmen. Both Norm and Larry have given countless hours in service to the Commission and the town. The Commission wishes both gentlemen good luck in their future endeavors and thanks them for their dedication.

Again this year, members of the Commission attended training sessions and conferences held by the Massachusetts Association of Conservation Commissions (MACC) to expand their knowledge of State requirements, emerging environmental issues, and administrative processes. The Commission continues to work with applicants to be sure that proposed projects adhere to the Wetlands Protection Act (WPA).

Respectfully Submitted,

Cynthia Callow, Chairman
Jeff Doubrava, Vice Chairman
Joel Hartley, Clerk

Jim Verni Sr., Associate Member

2017 Annual Report

The Mattapoissett River Valley Water District (District) was formed in 2004 to construct and operate the six million gallon per day (mgd) Mattapoissett River Valley Water Treatment Facility (MRVWTF). The District is comprised of the Towns of Fairhaven, Marion, Mattapoissett and Rochester. The treatment facility, located in Mattapoissett, began operations in 2008.

The MRVWTF treats raw water from eight municipal water supply wells owned and operated by the District Towns. The sources include three Mattapoissett wells, one Marion well, and four Fairhaven wells, which are located in Mattapoissett and Rochester. Treatment at the facility includes oxidation with ozone followed by membrane ultrafiltration with Koch membrane filters for the removal of iron and manganese. The finished water is treated to adjust the pH for corrosion control.

2017 represented the tenth year of operation of the MRVWTF. The plant processed 644 million gallons of water during the year. The FY18 operating budget for the plant is \$2,038,550 which represents an increase of approximately 1.5% over FY17. The major expenses include power, labor, chemicals and equipment replacement identified in the annual Capital Improvement Plan.

The MRVWTF operated well throughout the year. Routine annual maintenance and inspection was performed on major components of the MRVWTF, including the generator, inspection of high and low lift pumps, and fire extinguisher inspection. The Tinkham Lane Well was offline for a brief period from January 28th to March 5th due to operational issues. The Town of Fairhaven has contracted for the design and construction of a replacement well in order to restore the source capacity.

As part of the Capital Improvement Plan, the District replaced components of the KOCH filters, the ozone system, one backwash pump, one SCADA system process PLC, one scroll compressor unit, and replaced some of the chemical feed pumps and tanks. In addition, design has begun to replace the primary electric supply to the MRVWTF. The purpose of the project is to improve electrical reliability to the MRVWTF. The District has been coordinating design with Eversource and Tata & Howard, Inc., and the project is expected to be complete in 2018.

A drought warning for Southeastern Massachusetts issued by the Secretary of Energy and Environmental Affairs (EEA) in 2016 remained in effect through January 2017. In response, the District Towns continued to implement outdoor water use restrictions identified in their Water Management Act Permits. Drought restrictions were lifted by the EEA in April when Southeastern Massachusetts had returned to normal conditions and the District Towns lifted the local outdoor water use restrictions. The District Towns and the Mattapoissett River Valley Water Supply Protection Advisory Committee continue to monitor drought status and assess if implementation of outdoor water use restrictions is required.

The District and MRVWTF received the 2017 Public Water System Award for Outstanding Performance in 2016, as well as the Governors' Citation in Recognition of Dedicated Service to Maintain Abundant Clean Water.

2017 Report of the
Mattapoisett River Valley Water Supply
Protection Advisory Committee

History and Purpose of MRVWSPAC

The Mattapoisett River Valley Water Supply Protection Advisory Committee (MRVWSPAC) was established in 1980 by the towns of Fairhaven, Mattapoisett, Marion and Rochester. The organization grew out of a concern for the aquifer underlying the Mattapoisett River watershed, from which all four towns draw water supplies. Special legislation was enacted in 1983 (Chapter 407) formalizing the Committee.

The MRVWSPAC is made up of three (3) representatives from each town for a total of 12 members. The MRVWSPAC holds public meetings on the second Tuesday of every month at 4:00 p.m. at the Fairhaven Board of Public Works in Fairhaven.

Mattapoisett River Valley Aquifer

The Mattapoisett River and its aquifer provide fresh water for water supply, recreation and agriculture to portions of the entirety of five communities in Bristol and Plymouth Counties in Massachusetts. In 2017, our aquifer supplied approximately 1.76 million gallons per day for domestic and commercial users in the towns of Mattapoisett, Fairhaven, Marion and Rochester.

A drought warning for Southeastern Massachusetts issued by the Secretary of Energy and Environmental Affairs in July 2016 remained in effect through January 2017. In response District towns continued to implement outdoor water use restrictions identified in their Water Management Act Permit. The District Towns and the Mattapoisett River Valley Water Supply Protection Advisory Committee continue to monitor drought status and implement outdoor water use restrictions if required.

Summary of 2017 MRVWSPAC Accomplishments

- MRVWSPAC Recognized for Land Preservation Efforts in the Mattapoisett River Valley: The Buzzards Bay Coalition (BBC) released the report entitled “15 Year Status Report 2001 – 2016 Mattapoisett River Valley Land Protection Partnership” which detailed that 1,468-acres of land were permanently protected between 2001 and 2016. The MRVWSPAC contributed funding for a number of land protection projects which resulted in 28% of the Mattapoisett River Zone II being permanently protected, and 17% of the Mattapoisett River Valley.
- Environmental review of projects in the Mattapoisett River Valley:
 - Reviewed plans for the following projects within the watershed and sent comment letters to respective planning boards in Mattapoisett and Rochester:

1. William Milka solar project off New Bedford Road in Rochester
2. Decas Cranberry Tailwater Recovery Pond off Neck Road in Rochester

- Mattapoisett River Monitoring/Protection:

- Met with local legislators Senator Pacheco and Representative Straus to make them aware of important Water Management Act changes that will impact the communities of Fairhaven, Marion, Mattapoisett, and Rochester.
- Monitored stream flow and water levels in numerous locations along the Mattapoisett River. Maintained a database of critical water level data.
- Funded Annual Mattapoisett River Hydrologic Monitoring Report

The MRVWSPAC wishes to recognize the members of its consulting team for their excellent work and contributions in 2016:

Tata & Howard	Lead environmental consultant
David Watling	Mattapoisett River Valley monitoring and data collection
Meagan McCarthy	Data reduction and graphing
Nettles Design	MRVWSPAC website management

Report of the OPEN SPACE ACQUISITION COMMISSION

Our Task: The primary task of the Open Space Acquisition Commission is to acquire open space. These purchases must fit some stated need and respect the financial contribution that has been made by the taxpayers. We will not buy just anything, and we will not waste your money by overpaying.

Our Strategy: We try to form a financial partnership on larger purchases to get more value for your dollars. This could mean direct grants to the town, participation with other conservation group, or a bargain sale. Since the creation of the Open Space Acquisition Commission in 1999, we have partnered with the Commonwealth of Massachusetts, United States Department of Agriculture, Sippican Lands Trust and The Trustees (formerly the Trustees of Reservations.) Since we first started working with other groups, we have received more than \$1,000,000 in grants to help reduce the cost of open space purchases to the town. In 2017 we received a grant for over \$50,000 for work at Grassi Bog (described below).

Current Open Space Status: When we talk about permanently protected open space, we are talking about land owned by private, public and nonprofit owners that has been dedicated to such uses as conservation or recreational use by deed. Also included is land owned by a non-profit land trust; or if the town received federal or state assistance for the purchase or improvement of the property. Today of the 9,007 acres of land in Marion, 3,484 are permanently protected open space. Marion ownership of permanently protected open space is quite diverse. Those groups managing/owning open space include:

Board of Selectmen
Charles Washburn Memorial Trust
Commonwealth of Massachusetts (Division of Fish and Game)
Conservation Commission
Marine Resources Commission
Open Space Acquisition Commission
Recreation Commission
Sippican Lands Trust
The Trustees (formerly The Trustees of Reservations)
Water & Sewer Commission
Wildlands Trust

Private land is considered protected if it has a deed restriction in perpetuity, if an Agriculture Preservation Restriction (none in Marion) has been placed on it, or a Conservation Restriction has been placed on it. Conservation Restrictions in Marion are held by an equally eclectic group of organizations (listed below):

Buzzards Bay Coalition
Commonwealth of Massachusetts (DEP)
Commonwealth of Massachusetts (DFW)
Conservation Commission
Debt for Nature (United States Department of Agriculture)
Open Space Acquisition Commission
Sippican Lands Trust
The Trustees (formerly The Trustees of Reservations)
Wildlands Trust

The Open Space Acquisition Commission holds title to 629 acres. The largest parcel is the 282 acre Hales Brook Reservation (<http://www.thetrustees.org/places-to-visit/south-coast/hales-brook-and-sippican-river.html>) which is managed by The Trustees at no cost to the Town. The next largest, and perhaps busiest, parcel is the Washburn Park Conservation Land (97 acres), which is used heavily by the dog walking community.

Links to trail maps for those and other open space parcels can be found online at <https://www.marionma.gov/open-space-acquisition-commission/pages/trailroad-maps>

Financial: The Open Space Acquisition Commission administers the Marion Land Bank Fund on behalf of the town. This fund is dedicated by state statute to costs associated with the acquisition of land. Any expenditure out of this fund to purchase land must be approved by Town Meeting. Currently the Fund holds \$382,717. We have been following the status of several high end properties that would require funds in excess of \$1,000,000 to acquire. These are multi-partnership endeavors that require some “seed money” to have these projects succeed. Marion’s \$382,717 can be used to leverage a \$449,276 state grant. This amount encourages the participation of the non-profit community.

An example of the type of property, among others, that we are tracking is a 300 acre parcel on Route 6. Preservation of the property would reduce nitrogen inputs into Aucoot Cove, create a 1700 foot green strip along southern entrance to Marion, and protect endangered species. The

property also lends itself to improve public access as it provides a link to existing trails on the west, east, and north sides of the property and has an existing parking access.

Projects:

Grassi Bog: This property is located off of Mill Street (Route Six) just north of Sparrow lane. An unexpected upstream release of water washed out most of the newly installed water control structures in 2014. 2016 was spent finalizing designs and pursuing grants to get the repair work done at no cost to the taxpayers. The work was completed in September 2017. We had a work party do some clean-up of old cranberry bog equipment in December. This site has adequate parking and bridges over the flumes have been installed to make it easier to walk the loop trail.

Bike Path: Although the Open Space Acquisition Commission is not actively involved in the planning and engineering for the bike path, we are pleased that the years of quiet acquisition of the many parts of the bike path route has finally been completed. We look forward to completion of the bike path as it will provide easy to use access to over 1500 acres of permanently protected open space. We look forward to a start date for construction in the latter half of 2019.

Great Swamp: This property is located off of Joanne Drive and was given to the town by Richard Mecke. Last May the Commission had a work day to do trail maintenance of the 1+ mile loop trail. A copy of the trail map for this property can be found at <https://www.marionma.gov/open-space-acquisition-commission/pages/trailroad-maps>

Planning: We sent out the 2017 Open Space Community Survey in September. The last responses came into us in February 2018. Notice of the completion of tabulation will be made on the “Marion MA” Facebook page and results will be posted at www.marionopenspace.com.

Web Page Additions: In 2016 we were able to produce a draft list of all Conservation Restrictions in Marion, and are still waiting for comments from other town boards. These will be posted on our webpage as they become final. In the interim, if you would like a copy of the document, please contact us.

We also made a draft of a “Flora and Fauna” list for Marion. As we would like this to be used to report sightings, we have it listed on our blog page www.marionopenspace.com.

If you have any questions about anything related to open space please feel free to email us at openspace@mariopnma.gov, or email/call one of the individual members.

Respectfully submitted,

John Rockwell, Chairman
Amanda Chace
Jeffrey Oakes
Randy Parker
Alan Harris

**Report of the
COMMUNITY PRESERVATION COMMITTEE**

To the Honorable Board of Selectmen:

At the May 2017 Town Meeting the CPC recommended two separate Articles for Community Preservation Act funding:

1. \$49,000 for the purpose of window replacement and trim preservation at the Marion Art Center, 80 Pleasant Street.
2. \$20,000 to purchase an interest in land within the Towns of Rochester and Mattapoisett for the protection of public water resources.

Both articles were approved.

Also approved was an Article to provide \$2,000 of FY18 funding to the Community Preservation Committee for administrative purposes.

Respectfully submitted,

Randy L. Parker, Chairman
Margherita Baldwin
Jeff Doubrava
Stephen C. Gonsalves

Will Saltonstall
Charles (Pete) Smith

**CAPITAL IMPROVEMENTS PLANNING COMMITTEE REPORT TO SELECTMEN AND FINANCE COMMITTEE
February 12, 2018**

The Capital Improvements Planning Committee's (CIPC) charter is to assist the development of capital projects and improvements by the Town's Departments. Each year, during the development of the annual budget for approval by our residents, the 10 year Capital Plan is also updated based on new or revised plans and provides a forecast for capital needs. Last year, we began to include the ORR School District in our process. The CIPC also makes visits to Town locations to further understand capital plans and needs. Sites visited in 2017 included the Waste Water Treatment Plant, Pumping Station 1 and the fresh water well field by the Pumping Station. This year the CIPC welcomed a new member, Dave Janik, and welcomed back Norm Hills as our Selectmen representative.

22 projects totalling \$15.3 million were submitted to the CIPC by the Town's Department Managers and the ORR School District for FY19. In the case of the Department of Public Works (DPW) whose Director recently retired, our Town Administrator, Paul Dawson, with the support of C.D.M. Smith, Tata and Howard and the DPW staff, developed the Capital Plan. The CIPC rated and ranked each project based on Department priority, budget impact, regulatory requirements, public safety, equipment replacement and efficiency, useful life and cost reduction. Attachment 1 contains the ranking results for FY19. Typically not every capital project is placed on the Town Warrant. Instead, the CIPC ranking report provides an impartial perspective for the Finance Committee, Finance Director, Town Administrator and Selectmen as they develop a balanced budget for the fiscal year.

The top five ranked projects for FY19 are:

Rank	Capital Project	(000's)	Funding Source	Notes
1	NPDES/AOC Permit Compliance	\$2,700	Sewer Enterprise	To comply with EPA Consent Agreement
2	Phase 2 Waste Water Treatment Plant (WWTP) Upgrades	\$1,400	Sewer Enterprise	Four Phases (FY 18, 19, 20 & 21) to comply with EPA Consent Agreement
3	County Rd Water Main Replacement	\$1,000	Water Enterprise	Construction & project management (design already completed)
4	Mill Street Water Main Replacement	\$115	Water Enterprise	Engineering design only
5	Town House Preservation Project	\$8,300	Debt	If use of \$1 million Community Preservation Funds are approved, cost could be reduced to \$7.3 million. Alternative Plan also being developed for a new building at the former VFW site.

With the recent EPA Consent Agreement changes to our new waste water treatment and discharge permit (NPDES/AOC), we recognize that the associated highlighted projects (NPDES/AOC Permit Compliance and Phase 2 Waste Water Treatment Plant Upgrades) are our highest priority in FY 19 and failure to complete these projects could result in serious financial penalties. Therefore, we have moved these two projects to the top of our list.

The No. 5 ranked project, the Town House Preservation Project, is now estimated at \$8.3 million with the possibility of reducing the cost by \$1 million to \$7.3 million if the voters agree to apply Community Preservation Funds to this effort. There is also an alternative plan being developed to build a new Town House on the former VFW site on Route 6. At the time of this writing, we do not have any further information on the alternative proposal.

We estimate that the funding sources of the 22 FY19 Capital Projects would be as follows:

Funding Source	General Fund	Water Enterprise	Sewer Enterprise	Waterways Account	New Debt	Chapter 90
Amount (000's)	\$533	\$1,240	\$4,765	\$62	\$8,300	\$420

Attachment 2 is the projected 10 Year Capital Plan that is updated each year based on the submissions from the Town Department Managers, aforementioned DPW support team and the ORR School District.

Respectfully,

Paul Naiman-Chair
Dave Janik
Steve Nojeim
Norm Hills-Selectmen Representative

Casey Barros – Secretary
Dick Giberti
Julia Olsiewski

Capital Improvements Planning Committee Attachment 1					
Rank	Dept	FY 19 Capital Project	000's	Funding Source	Comment
1	Sewer	NPDES/AOC Permit Compliance	\$2,700	Sewer Enterprise	To comply with EPA Consent Agreement
2	Sewer	Phase 2 WWTP Upgrades	\$1,400	Sewer Enterprise	Four Phases (FY 18,19, 20 & 21) to comply with EPA Consent Agreement
3	Water	County Rd Water Main Replacement	\$1,000	Water Enterprise	Construction and project management (design already completed)
4	Water	Mill St Water Main Replacement	\$115	Water Enterprise	Engineering Design only
5	Facilities	Town House Preservation Project	\$8,300	Debt	If use of \$1 million Community Preservation Funds are approved, cost could be reduced to \$7.3 million. Alternative Plan also being developed for a new building at the former VFW site
6	Sewer	SCADA Improvements	\$100	Sewer Enterprise	Upgrades to 12 yr old management/monitoring system
7	Sewer	CCTV & Truck	\$200	Sewer Enterprise	Reduces rental cost from outside vendor
8	Sewer	Mill St. Extension Sewer Improvements	\$320	Sewer Enterprise	Replaces undersized 6 inch pipe with 8 inch PVC (includes Community Center)
9	Highway	Pavement Management Plan FY19	\$300	Chapter 90	Continuation of pavement repair
10	Fire/EMS	Replacement boat	\$116	General	Current boat destroyed in recent storm, maybe partial insurance coverage
11	Police	Mobile Computer System Update	\$32	General	Updates 5 cruisers with hardware & software, currently running Windows XP

**Report of the
MARION TREE AND PARKS COMMITTEE**

Our Committee started this spring with our usual town-wide cleanup and seedling giveaway at elections in May. Then in late May we had a town-wide spraying for winter moth and gypsy moth. Bartlett Tree Experts did the work early in the morning and it helped to control the leaf damage we usually see.

Our park maintenance is always ongoing from spring clean up to mid-summer weeding to fall pruning. We take care of six Town parks annually and with the help of the DPW we try to maintain and improve our public spaces.

Tree work and planting are done in conjunction with our new Tree Warden, Steve Gonsalves. There are many damaged and rotting street trees along our roads and Steve does the best he can, given the limited funds. We are developing a street tree planting program for future replacement.

Also this year we developed two forestry cleanup programs; one for Holmes Woods and the other for trails behind Pumping Station Road. We received a \$1703 grant for the latter and the forester for Holmes Woods paid us over \$1,000 for the wood he cleared. We hope to do more of these projects where appropriate.

Our committee meets mostly in the spring and summer and always welcomes your comments and ideas. We also want to thank our long standing members and welcome a new one as well, Suzy Titus.

Margie Baldwin, Chair
Laurie Fearing

Report of the MUSIC HALL ADVISORY COMMITTEE

Water, water, everywhere.
And all the boards did shrink.
Water, water, everywhere,
Nor any drop to drink.

That quote from The Ancient Mariner sums up the year for the Music Hall Advisory Committee! First the second floor bathroom water pipe burst and flooded the women's Bathroom and the Reading Room. Thanks to fast work from our Facilities Department, damage was contained but "all the boards did shrink" and we had to replace the floor and the ceiling of the Reading Room and upgrade the floor and fixtures in the women's Bathroom. Second, a boiler pipe let go over the Kitchen necessitating the replacement of almost the entire Kitchen. Work has been completed in the Bathroom and Reading Room and the Kitchen will be completed by early February. Fortunately, most of the damage was covered by insurance.

It was a bittersweet moment when we said good bye to the Senior Center as they moved into their new space on Route 6. We have so enjoyed having all that activity in the Music Hall but are thrilled that they have their own space with a much-improved layout.

We also revised the Guidelines and the Rental fees for the first time since 2006. This was a major undertaking spearheaded by Casey Quirk. Beautiful new shutters orchestrated by Lynn Crocker have been installed in the Main Hall so that daytime rentals are more appealing. Dimmers have been installed on the Main Hall lights so that the harsh glare of the lighting can be moderated.

This year our focus will be on taking an "acoustically dead" Main Hall and transforming it into an appealing venue for musical performances. That will necessitate major changes to the stage as well as the sound system. The Committee feels that this will honor the original wishes of Elizabeth Taber. Phil Sanborn is ably leading this effort. Stay tuned for more musical events at the Music Hall!

We would be remiss not to honor another woman whose philanthropy helped maintain Elizabeth Taber's legacy. She preferred to remain anonymous but her grant to the town not only supported the restoration of the Music Hall in 1995 but also provided an Endowment managed by the Sippican Historical Society for the maintenance and management of the Music Hall. Each year we use the Endowment to pay for the Coordinator's salary and special projects. This year the handsome wood shutters came from this account. We are forever grateful to her and to the Sippican Historical Society who has invested the funds so wisely.

As always, thanks to all the committee members – it is a great group to work with. Special thanks to Tami Daniel, our coordinator, and Shaun Cormier and the Facilities Department.

Sincerely,

Christina Bascom, Co-Chair
Margot Stone, Co-Chair
Casey Quirk, Secretary
Phil Sanborn, Treasurer
Lynn Crocker
Clare Healy Foley

REPORT TO THE TOWN OF MARION FROM THE COMMISSIONERS OF THE SOUTHEASTERN REGIONAL PLANNING & ECONOMIC DEVELOPMENT DISTRICT (SRPEDD)

The Town of Marion is a member of the Southeastern Regional Planning and Economic Development District. SRPEDD (pronounced *sir-ped*) is the regional agency serving 4 cities and 23 towns in southeastern Massachusetts dealing with common issues facing the region, such as economic development, growth and land development, transportation, environment, municipal partnerships and general planning for the future. SRPEDD is governed by a Commission of local mayors, selectmen, planning board members and at-large members. We are funded by federal and state grants and local assessments. In 2017 the Town of Marion paid \$874.87 to SRPEDD, based upon an assessment of 17.829 cents per capita.

Local citizens representing Marion included the following:

SRPEDD Commission: Jonathan F. Henry serves as the Board of Selectmen and Eileen Marum serves as Planning Board Delegate.

Jon Henry is an Officer and member of the Executive Committee as Chairman. He also serves as to the Personnel Committee; and as SRPEDD's representative to the JTPG Committee.

Technical assistance was provided to the Town in the following areas:

- Assisted Planning Board on implementation of some recommendations identified in Master Plan. (Municipal Contract)
- Assisted Planning Board with revisions to zoning map. (Municipal Assistance)
- Continued assistance with technical support for functional class reclassification of County Road including Rochester and Wareham. (MassDOT)
- Continued assistance to South Coast Bikeway Alliance (Marion represented) with mapping, funding guidance, route planning, and sign design.
- Assisting Planning Board with conducting a Transit Assessment Study. (MassDOT)

Some of SRPEDD's More Significant Accomplishments During 2017 Were:

- **Comprehensive Economic Development Strategy (CEDS) for Southeastern Massachusetts**, a regional economic development strategy, updated annually by SRPEDD and certified by the U.S. Economic Development Administration (EDA) maintains eligibility for the region's cities and towns to receive EDA funding.
- The **Transportation Improvement Program**, which sets regional priorities for federal transportation funds, was completed and approved for FY 2018-2022.
- SRPEDD conducts a **district-wide traffic-counting program** and maintains a computer file of available traffic count data throughout the region. SRPEDD undertook 152 traffic counts at various locations this past year.
- SRPEDD continues to operate the **Pavement Management Program**, evaluating pavement conditions on federal-aid eligible roadways in the region's cities and towns.
- SRPEDD maintains a comprehensive database of all 380 signalized intersections in the region. SRPEDD conducted 90 turning movement counts at various locations this past year.

- SRPEDD continue to assist communities under the **Regional Bicycle Plan** addressing infrastructure needs and recommendations on how to improve connectivity throughout the region.
- SRPEDD initiated the **Regional Pedestrian Plan** to examine existing conditions in the region's cities and towns and provide recommendations to improve pedestrian connectivity.
- SRPEDD provides technical planning to two regional transit authorities, **SRTA and GATRA**, including route evaluations, rider surveys, performance standards and federal reporting. SRPEDD completed a Regional Transit Plan for GATRA that will guide transit improvements in the near future.
- SRPEDD has initiated the **Regional Bus Stop Capital Investment Plan** following the completion of the **Regional Bus Stop Inventory** in 2016. The inventory of data collected for GATRA and SRTA bus stops is available to assist on proposed capital improvements.
- SRPEDD continued to provide administrative and technical support to the **Taunton River Stewardship Council (TRSC)** through a Cooperative Agreement with the National Parks Service. The Council is a multi-community, multi-agency collaborative established through the designation of the Taunton River as a Federal Partnership Wild & Scenic River in 2009. In partnership with the TRSC, SRPEDD provides public education and stewardship opportunities to Taunton River Watershed communities, as well as access to local project funds through its Mini Grants Program.
- SRPEDD is a member of two National Estuary Programs (NEP) including the **Narragansett Bay Management Committee and Buzzards Bay Steering Committee**, created to protect the resources and promote the stewardship of their respective watersheds. The Buzzards Bay and Narragansett Bay Watersheds together encompass the entirety of the SRPEDD area. As a member of these oversight committees, SRPEDD participates in the development of their respective Management Plans for both programs.
- SRPEDD has been providing technical assistance to the **South Coast Climate Change Coalition** whose mission is to increase public awareness of the probable consequences of climate change, help communities incorporate resiliency planning, and take actions that help communities adapt to and minimize the consequences of climate change.
- SRPEDD continues as the lead agency for the **Resilient Taunton Watershed Network (RTWN)**. The RTWN is a collaborative of local, non-profit, regional, and state and federal government representatives interested in the future health and resilience of the Taunton River Watershed. The RTWN provides information, conducts outreach and educational efforts, resources and tools to protect existing natural resources, reduce flooding, promote restoration, and develop sustainability. (EPA)
- SRPEDD is a member of the Board of Directors of **Southeast Environmental Education Alliance (SEEAL)**. SEEAL is a non-profit organization whose mission is to help provide quality environmental education and stewardship opportunities to communities in southeastern Massachusetts. SEEAL runs a Mini-Grants Program to support local projects and in addition project that climate change, alternative energy, urban agriculture and youth conservation education.
- SRPEDD provides fiduciary support services to the **Southeast Regional Homeland Security Council (SRAC)**, comprised of 96 municipalities and the Wampanoag Nation.
- SRPEDD maintains an extensive **Geographic Information System (GIS)** mapping program. The mapping program contains a number of data layers including, land-use, zoning, water resources, soils, habitats, transportation network, economic development, priority protection and priority development areas, and other data and information.
- SRPEDD operates the **Southeastern Massachusetts Data Center**, providing information to businesses, cities and towns, and individuals.

SRPEDD, originally founded in 1956, is one of 13 regional planning agencies, or RPAs, across the state, and approximately 556 across the country. It was established for the purpose of delivering cost effective services, and facilitating enhanced regional planning and planning coordination on behalf its member cities and towns. Please let us know how we can be of continued service to your community!

Report of the ELIZABETH TABER LIBRARY

The Elizabeth Taber Library continues to be a focal point of the Marion community. Here at the library, we are committed to providing a welcoming atmosphere that fosters lifelong learning, access to information, and programs that enrich the community.

Items circulated in 2017 and other statistics:

Books, DVDs, CDs, Magazines: 36,624

Overdrive eBooks: 2,158

Overdrive Audiobooks: 758

Total registered borrowers: 3,889

197 Marion library patrons were added

Total visitors to the Elizabeth Taber Library: 32,899

Physical items added to the collection: 1,893

Total number of items in our library collection: 27,609

Our Summer Reading Program, “Build a Better World” was a tremendous success. Eighty-nine programs were provided for children, ages twelve and under, with a total participation of 2,605 in attendance. Thank you to these local businesses and organizations that donated and helped to make it another great summer:

Eastern Bank
Kool Kone
Lowes
Marion Cultural Council
Sea Dips
Shaws
Sippican Woman’s Club
Staples
Target
Uncle Jon’s

Story times were offered throughout the year for 0-5 year olds, and these programs were consistently well attended. We also began hosting teen programs including friendship bracelets, kindness rocks and para-cord compass wristbands. Gaining teen interest is one of the biggest challenges for public libraries; however, our new programs have steadily grown in popularity. A Lego Club was started too at the Elizabeth Taber Library and continues to be offered twice a month. This program is extremely popular with the after school crowd.

The Annual Summer Book Sale this year was a great success thanks to our dedicated volunteers. In addition to our book sale fundraiser, we hosted a bridge tournament in August at the Music Hall. Thank you to all that attended and supported the library because it is through the support of generous individual and corporate donations that we are able to continue to offer many free programs and services to the community.

Online resources such as IndieFlix (streaming movies), Zinio Digital Magazines, and Axis 360 (eBooks and audiobooks) continue to be offered to members of our community throughout the year. All electronic material is free for all of our patrons with the use of their Marion library card.

In addition, the following passes may be reserved from the Elizabeth Taber Library for discounted admissions:

DCR Parks Pass
Heritage Museums and Gardens
Institute of Contemporary Arts, Boston
Museum of Fine Arts
Mystic Aquarium
New Bedford Whaling Museum
Plimoth Plantation Museum
Roger Williams Zoo

Over the past year the library offered an assortment of enriching programs on topics such as Cambodia, deer ticks, healthy cooking, India, memoir writing, seed sowing and saving, and yoga. Alongside these workshops, we continue to host several ongoing adult programs such as the Mystery Book Club, Afternoon Book Discussion, Drop-in Puzzling, and a seasonal Potluck Cookbook Club. We also offer technology assistance and patrons can “Book a Librarian” for one-on-one free tech help.

The Elizabeth Taber Library partnered with a variety of local organizations listed below on programming:

Council on Aging - offering an outdoor Zumba series and increasing our home delivery services

Marion Garden Group – starting a Seed Lending Library program. Community member “checkout” seeds for free from the library. The premise is that you plant the seeds, and then return some of these next generation seeds for others to borrow.

Marion Recreation - collaborating on *Books at the Beach* again this past summer

Mattapoisett Free Public Library and the Joseph H. Plumb Library – partnering on a Civic Engagement event series

Taber Academy - having Taber students volunteer their time at the Elizabeth Taber Library to those that needed technology assistance

We hosted our second annual Open House on June 1 with over seventy people attending. We had a children’s craft area for making bird feeders, free play with Legos, and an adult puzzle and coloring activities. A representative from the Marion Garden Group was also there to provide a seed planting craft to promote our new Seed Lending Library.

Through a very generous donation made by Mrs. Marguerite Repass, we will be renovating the Elizabeth Taber Library entrance in 2018 to make it more accessible and welcoming. We held a groundbreaking ceremony in late September to celebrate the beginning phase of this project at the Library. The community support, as we broke ground, was remarkable and appreciated.

The Elizabeth Taber Library remains a valuable resource for the community and a haven in which to gather, socialize, and learn. In 2018, we intend to provide additional services (like the ability to checkout a hotspot) and more programming that focuses on new technologies. We hope that you’ll visit us soon to enjoy all that the library has to offer.

Sincerely,

Libby O’Neill
Library Director

Jay Pateakos
President, Board of Trustees

Report of the MARION NATURAL HISTORY MUSEUM

To the Honorable Board of Selectmen:

It is with great pleasure that we report the Museum is operating in good order and continuing to provide quality environmental education programs for the Tri-town area. Our after-school programs are running at full capacity and we have hosted some very successful evening programs. The Board is grateful for the assistance and support of the Marion Cultural Council and the Marion Marine Department, especially the Harbormaster, Isaac Perry with our after-school, summer, and evening programs.

The Museum Board of Directors expresses our gratitude for and acknowledges the dedicated service of our Director, Elizabeth Leidhold. The Museum could not function without Elizabeth's efforts to create and coordinate our extensive array of programming and manage our collections. The Museum would also like to thank Vin Malkoski for his years serving as President of the Museum and all of his years on the Board of Directors.

The Museum conducted the following programs in 2017:

After-school – Winter/Spring 2017

- **Winter food** - explore the diets of some of our animal neighbors and try our hand at creating a feeder for birds using items found in nature.
- **Looking for winter birds with the Nasketucket Bird Club** - Justin Barrett conducted a walking trip to the Harbor to look for winter ducks and other seasonal arrivals.
- **Collections** - Natural History collections started with individual home collections that were shared with others. Bring in your nature collections, such as shells, rocks, feathers, minerals etc. to share. We will give you a behind the scenes tour of the museum's collections and talk about labeling and creating a collection box.
- **Very basic computer mapping** - exploring one of the free programs provided by the state to help explore and create a map of your town.
- **Herring of Southeast Massachusetts** - River Herring play an important role in the culture, ecology, and economies of coastal towns in Massachusetts. Rochester Herring Inspector, David Watling, will be coming in to share with us a little background on this important local fish species.
- **Bird Island** - Our annual trip to Bird Island with the Marion Harbormaster. We will talk about some of the changes being made to the Island to give the birds more nesting area.
- **All about Worms!** What's the difference between a nightcrawler and an earthworm? Come join Jim and Madeleine Porter – worm enthusiasts, and explore the world of these creepy crawlies and how they benefit the soil.

Summer 2017 – We decided to focus our summer programs on Wednesday Afternoon Programs in 2017 as we consider different summer educational options for the future:

- Children’s Nature Journaling Workshop with Patricia Cassidy
- Tour of Bird Island with Carolyn Mostello, biologist with the MA Department of Fish and Wildlife and the Marion Harbormaster.

After-school – Fall 2017

- **Netting the shoreline** – Students enjoyed one of last days of warm weather and took the nets down to the Harbormaster’s Beach. They learned to identify what they caught and where the animals fall within the food chain.
- **Observing Nature through Sketching and Painting** - Learn the art of observation with Artist and Naturalist Tricia Cassidy. A wonderful way to introduce the students to the world of journaling. Activities included making a small sketch book and going outside to learn different ways to observe and draw from nature.
- **Nature Scavenger Hunt** - Students scavenged for treasures to bring back to the museum for a closer look. They dissected non-living items and investigated them with the use of microscopes and magnifiers.
- **Crops and Soils** - Maggie Payne of USDA’s Natural Resource Conservation Service had the students take a look at what is needed in our soils and environment to make for a successful harvest.
- **Animal adaptations** - Why does a catfish have “whiskers”? Why is one fish camouflaged and another brightly colored? Students looked at animal adaptations and designed their own animal.
- **Bees and Bee keeping** - Kitty DeGroot shared her knowledge of bees and the very important role they play in our day-to-day lives.
- **Annual Nature Craft party** – During the museum’s annual Holiday party, participants had the opportunity to make crafts using natural and recycled materials for holiday gift giving.

The Museum hosted two evening programs in 2017:

- **Reptiles of Massachusetts with Blue Hills Audubon** – Attendees had the opportunity to meet live Massachusetts’ resident reptiles, learn about their behavior and find out about human threats to their survival.
- **Birds of Prey with Blue Hills Audubon** – Live birds of prey were exhibited and participants learned about their feeding habits and camouflaging techniques among many other exciting facts.

The Natural History Museum Board would like to express our great appreciation to Peg Crowley – Nowick, President of Zipher Medical Affairs, LLC for the Company’s donation of a wonderful sophisticated laboratory microscope with an integrated still/video camera. This addition will add a whole new dimension to the museum’s explorations of the small world.

The Museum purchased a Virtual Reality setup in 2017 which is an exciting educational addition. In addition, we will continue to restore and update our exhibits, displays, and programming in 2018.

Respectfully submitted,

Sarah Porter, President
Marc Sylvia, Secretary
David Pierce, Treasurer

REPORT ON 2017 SEASON: MARION CONCERT BAND

The 2017 season of the Marion Concert Band began with three Tuesday night rehearsals (June 13, 20, 27). As usual, our rehearsals were held at the Marion Music Hall. The band's season opened with a concert at Silver Shell Beach in conjunction with the town's Independence Day Celebration on July 2nd.

The series continued with concerts every Friday night at the Robert Broomhead Bandshell at Island Wharf. The Friday night opener on July 7th was cancelled due to inclement weather, resulting in the Friday series kicking off on July 14th. The series continued through August 25th, with one more rained out concert on August 18th.

The band's roster increased significantly this season, due to an influx of some very fine musicians from the surrounding area that were interested in playing with the group. The roster topped out at 51 musicians! Dominic Vaccari, a 2017 graduate of Dartmouth High School, was one of the new members and has the distinction of being the first string bass player to be a regular member of the Marion Concert Band in the band's 139 year history!

The season included the usual variety of thematic programs, including Broadway show music, movie and TV themes, a Latin-American night, a nautically-themed program, a Young People's concert, a Boston Pops style concert and an evening of British band music. Featured soloists this season included Mary St. Laurent-Sheehan and Zachary Roberts (trumpet), Elaine D'Angelo (piccolo), Wendy Rolfe (piccolo), and Nicole Laprise (violin).

Audience attendance has been steadily on the rise since we moved the concerts to Friday nights in 2013, then changed the starting time to 7:00 the following year. Those changes have made the series more convenient for working adults and families with young children. The audience at our final concert on August 25 was the largest audience we've seen in over a decade! A wonderful way to close out our season.

In conclusion, I'd like to thank the members of the band for their exceptional musicianship and for sharing their talents with us. Every concert this season was outstanding! I'd also like to thank the townspeople of Marion for supporting the Marion Concert Band and for keeping the wonderful tradition of band music alive in the town of Marion.

Respectfully submitted,

Tobias S. Monte
Music Director, Marion Concert Band

Report of the MARION CULTURAL COUNCIL

To the Honorable Board of Selectmen:

In Massachusetts, public funding for the arts, humanities and interpretive sciences originates with the Massachusetts Cultural Council (MCC), which is a state agency. The MCC was formed in 1990 through the merger of two previously separate agencies, the Massachusetts Council of Arts and Humanities and the Massachusetts Arts Lottery Council.

The mission of the MCC is to promote excellence, access, education and diversity in the arts, humanities and interpretive sciences in order to improve the quality of life for all Massachusetts residents and to contribute to the economic vitality of our communities. The MCC receives funding from the State of Massachusetts and the National Endowment for the Arts and then distributes the funds to local cultural councils. The local councils follow and MCC-defined public procedure for seeking and approving funding application. In Marion, applications are available online at the Massachusetts Cultural Council website. The local decisions on allocating the funds are reviewed by the state before the funds are distributed.

The Marion Cultural Council met on November 4th, 2017 to evaluate and vote on the twenty-three (23) grant applications received this fiscal year. A total of \$17,400.00 was requested; we were allocated \$4,400.00 by the Massachusetts Cultural Council and due to a project that was not completed in 2016 we have an additional \$335 to utilize towards funding grants; leaving a grant total of \$4735. We were able to partial or fully fund fourteen (14) applicants whose grants requests we deemed to be most beneficial to our community. Upon state review and approval of our decisions, funds will be provided to the Town House Treasurer's office to be awarded to the successful applicants. Those applicants are as follows:

Fairhaven Village Militia	\$300
Elizabeth Taber Memorial Library	\$400
Friends of Old Rochester Drama	\$400
John Root	\$100
Marion Art Center	\$200
Marion Council on Aging	\$500
Marion Natural History Museum	\$500
New Bedford Ballet	\$200
New Bedford Symphony Orchestra	\$400
NBAM/Artworks!	\$250
New Bedford Symphony Orchestra	\$300
Sippican Land Trust	\$500
Songkeepers LTD	\$435
Southcoast Children's Chorus	\$300
Soule l Harvest Fair & Joe Davies Folk Festival	\$100
Tri-County Music Association, Inc.	\$300

In Marion there is a 7 person committee, at the time of the annual meeting 6 seats were filled and 5 members were present at said meeting.

Janet Faler	Present
Ken Lawton	Absent
Kristen Saint Don-Campbell	Present
Lisa Baltz	Present
Suzanne Bellanger	Present
Suzy Tayler	Present

Respectfully submitted,
Kristen Saint Don-Campbell, Chairperson

2017 ORCTV Annual Report for Marion

Old Rochester Community Television had a very eventful year in 2017, increasing our activity within the Town of Marion. In our role as the local cable access station, ORCTV filmed numerous local events for broadcast on our public access and educational channels along with a great increase in the number of Marion Town boards and committees being shown on the Marion Government Channel.

This past year found ORCTV filming and cable casting over 110 government meetings in Marion including each meeting of the Board of Selectmen, the Planning Board, The Conservation Committee and The Marion School Committee, as well as special forums on the Town House, the town's infrastructure and public works, and the Town House among other issues of interest and concern to the residents of Marion. ORCTV also covered both the 2017 Annual Town Meeting in May and the Special Town Meeting held during the month of October. One final service provided by the staff of Old Rochester Community Television, on the Town's government channel was the recording of the annual League of Women Voters Candidates' Night in addition to a series of short promotional pieces recorded for candidates running for various Town offices in the 2017 Town Election.

ORCTV also continued to provide coverage of a number of Marion events throughout the year for our public channel. These events included the Memorial Day Ceremonies and Parade, the Independence Day Parade and fireworks, The Annual Halloween Parade, Veteran's Day Services and the 2017 Village Stroll during the Christmas season.

Old Rochester Community Television worked with a number of local organizations and groups in Marion during 2017, bringing many hours of local produced programs to area viewers. Among the groups from Marion that ORCTV worked with were the Marion Town House Committee, the Elizabeth Taber Library, the Marion COA, St. Gabriel's Church, The Sippican Choral Society, , The Buzzards Bay Action Committee, Tender Hearts Home Health Care, The Community Baptist Church, The Sippican Historical Society, The Sippican Choral Society, The League of Women Voters, The Board of Health, Adagio Dance Studio, The Southcoast Children's Chorus, The Marion Natural History Museum and its after school and summer programs, among others.

In 2017 ORCTV looks to continue its work with the schools of Marion, Mattapoisett and Rochester from our studio located in the Old Rochester Regional High School. ORCTV has begun filming events for the ORR School District for the ETV channel. During 2017 ORCTV began filming events at Sippican School including the Spring and Holiday Concerts, the Sixth Grade Graduation Ceremony and the Dorothy in Wonderland play. We have featured these concerts, plays, educational programs, district school committee meetings and sporting events on the station's educational channel and they are all archived on our Vimeo page.

ORCTV cable casted 8,300 hours of programming on our public channel, 5,500 hours of programming on our educational channel and 6,200 hours of programming on Marion's government channel. ORCTV is proud to serve this community as your access media outlet and we hope to continue serving Marion for many years to come.

2016-2017 SCHOOL YEAR REPORT

Introduction

Old Rochester Regional School District and Massachusetts Superintendency Union # 55 serves the towns of Marion, Mattapoisett, and Rochester. There is a concerted effort by the three communities to provide the financial support that creates a positive learning environment for all students. During the past year administrators and teachers have worked collaboratively to enhance the science, technology, engineering, and mathematics curriculum for students PK-12. In the elementary schools, standards based report cards were developed to offer parents specific indicators as to the level of learning their students have mastered on each standard. Students continue to participate in a variety of project based and hands-on activities which will enhance their ability to be ready to enter the 21st century job market. As you read the school year report you will come across many examples of our students' accomplishments as well as strong indicators of structural changes happening in our buildings to improve learning spaces, technology infrastructure and increase safety.

Strategic Goals

2016-17 was the fourth year of our five year strategic plan, which identified four specific goals that are the focal points of the exciting work being done in the school districts. Groups of educators and community members are responsible for ensuring progress is being made towards each action step articulated in the plan and ultimately leading to the completion of each goal in the next year. Below are highlights and accomplishments for each of the goals:

- **Meeting the Needs of all Students**

- Strategic Goal #1*

- By June of 2018, we will have embraced a broad and challenging curriculum that fosters the social, emotional and academic growth of all students.*

During the 2016-17 school year, teams of educators have collaborated to align the science curriculum to the Next Generation Science Standards. Science ambassadors have been selected at each grade at the elementary level to help propel the work in each building. In addition, the coordinators at the secondary level have taken the lead to help guide the work at the junior and senior high schools. Administrators and teachers have focused on the work of researcher Robert Marzano's and identified important strategies; cooperative learning, objectives and feedback that will be the catalyst for future teaching and learning in the districts. Students have embraced the changes to the science, technology, engineer and math curriculum, which has increased opportunities for more hands-on and project-based lessons.

Responsive Classroom and CASEL models are embedded in all of the districts to ensure Social and Emotional learning is a key component in grades PK-8. Funding was secured so that teachers could be hired to offer a health curriculum for all of our elementary students. Through the hard work and support of the Healthy Tri-Town Coalition in the areas of substance abuse, mental health, relational violence and cultural proficiency new programs are available to community members in all three towns.

- **Relationships**

- Strategic Goal #2*

- By June 2018, we will have developed positive, productive, collegial relationships with all constituencies across the Tri-Town districts to create the environment that fosters student learning*

Over the course of the 2016 – 17 school year, administration, staff, and students participated in a variety of different events with stakeholders from the tri-towns which is helping to form a strong bond between the schools in the community.

Students and staff participated in the following events:

- The annual Jr. High School Thanksgiving feast for senior citizens
- The Gifts to Give program helped needy families with clothing, toys, and books.

- The Governor's project 351, where students from every town in the state worked together to support important causes such as poverty and homelessness and racism.
- The Healthy Tri-town Coalition offered programs and supportive resources to assist community members who may be struggling with substance abuse, mental health issues, relational violence situations or cultural proficiency concerns.
- The Early Childhood Council provided guidance and support to parents and guardians of young children as they prepare to enter school.
- Instructional Council developed and supported new curriculum and professional development opportunities across all of our districts.

Students in grade 6 through 12 had a chance to view the video *Screenagers* which addressed the pros and cons technology is having on our youth today. Our schools are working together to provide a positive transition for students as they move from school to school in the districts. Such transition programs include workshops for parents, tours of buildings, get to know your peers barbecues, as well as other meaningful and supportive events.

School committees and town officials in the three towns continued to work collaboratively to develop budgets that support the needs of all students in the four districts. The school departments have developed capital plans that will help maintain and sustain the infrastructure across each of the districts. Over the next year a new strategic plan with the help of school personnel, town officials, and community members, will be developed to guide the future direction of education in the tri-towns.

- **Technology**

Strategic Goal #3

By June of 2018 we will have implemented a 21st century comprehensive technology plan focused on 21st century student learning, teacher learning, as well as the infrastructure to support optimal technologic skills for all in our school communities.

In year four of the strategic plan, there has been an increased use of technology in the classroom. Teachers and students in grades PK - 12 have use computers, iPads, tablets, and other devices to integrate learning across all disciplines. There is an increased emphasis to provide students with opportunities in science, technology, engineering, and math. Our libraries have transformed to offer students a variety of resources and tools in a comfortable learning space to assist with their studies. In the last year of the strategic plan, the group will focus on strengthening infrastructure to support the ever-changing technological needs in our districts. Teachers are designing lesson and projects that offer a blended learning experience for students.

Furthermore, the district will begin to implement the new *Massachusetts Digital and Computer Science Curriculum Frameworks* by expanding offerings in the areas of computer science and engineering. By taking these steps, the district will have created more opportunities for our students to develop and explore the latest 21st-century skills, which could lead to future employment.

- **Organizational Structure**

Strategic Goal #4

By June of 2018 we will have examined our current organizational Structure and systems to implement efficiencies that ensure all district-wide goals are met.

This particular strategic goal continues complicated. Our organizations' structure of four school districts, five school committees, four different school budgets, and the inability to share staffs' skills and talents creates frustration and inequities for our students. Despite the effort to identify efficiencies and inefficiencies there is no mechanism to bring suggested ideas to fruition. As this goal sunsets we cannot lose sight of the need for continued conversation by school committee members, town officials and community members to address the current organizational structure and the impact it is having on teaching and learning for our students.

As a result of the strategic plan and the work of educators, students and community members, a majority of the action steps has or will be met. The next step will be to create a new strategic plan that will enhance the work of that has already been accomplished while looking for ways to expand 21st Century learning opportunities for all students in the tri-towns.

School Leadership

In the past school year, the administrative teams at the Central Office as well as at the school levels have remained the same. As a result of this continuity and consistency in leadership in all of our schools, our students are making tremendous progress towards meeting their educational potential. The leadership team has worked diligently to bring the five year strategic plan to fruition. As superintendent of schools I would like to extend my deepest appreciation to the Leadership Team, Assistant Superintendent Dr. Elise Frangos, Director of Student Support Services, Mike Nelson, Business Administrator, Patrick Spencer, Principals Mike Devoll, ORR High School, Kevin Brogioli, ORR Junior High, Rose Bowman, Mattapoisett, Lyn Rivet, Marion, Derek Medeiros, Rochester, Assistant Principals Mike Parker, ORR High School, Silas Coellner ORR Junior High, Kevin Tavares Mattapoisett, Sarah Goerges Marion, and Charley West, Rochester. The group looks forward to sharing the work that has been accomplished at both the school and district levels and they are ready to develop a new strategic plan that will help propel education forward for the next five years.

School Buildings

All Schools

Safety and security of our students and staff remained one of our priorities during the past year. We procured funding to construct security vestibules in the four remaining schools that do not have a security vestibule at their main entrances. We acquired a state of the art school visitor check in system that will give us the capability to screen visitors through a "No Entry" database, allowing only authorized visitors access to the building.

We continued to solicit funding for Capital Improvements in all four districts. This past year three of the four districts received capital funding for improvements. This team effort between District and Town Administrators reinforces the commitment toward the education and material condition of our schools.

This past year we installed temperature monitoring equipment in all the food service freezers and walk in chill boxes. This equipment is tied in to our security alarms and will notify key personnel in the event of a high temperature alarm or failure of the refrigeration units. This will allow the staff to move the contents before they are considered unsafe to drink or consume. It has already proven its worth in two of our districts.

We received this from the National Council for Home Safety and Security: I'm Lauren Johnson, Media Relations Manager for the National Council for Home Safety and Security. We just announced our 2018 ranking of the Best School Districts in America and I'm happy to let you know that out of 9,577 eligible districts, OLD ROCHESTER comes in at number 181. This ranking is based on the following criteria: School funding, poverty rate, student performance and dropout rate.

We continue to monitor all our buildings through the Building Management System to keep utility costs to a minimum while maintaining a safe and comfortable educational environment through green building incentives and supplies.

Rochester Memorial School

To further enhance the safety of our students and staff at RMS, we have purchased enough radios to have emergency communication with all staff members at any given time. This is also a key element in the ALICE protocol: Communication. This will also allow communication to all first responders should the need arise.

We solicited bids and through a thorough selection, awarded the contract to Star Building Services for custodial services commencing July 1, 2018. The contractor will conduct a Job Fair in March 2018 to offer our current custodians first refusal rights.

We conducted preventative maintenance on all facility, ground support equipment and machinery, including the HVAC System and water systems.

Old Rochester Senior/Junior High School

This past year we continued to implement the Capital Improvements Plan. We have replaced 70% of our Roof Top Unit (RTU) cores. We repaired the asphalt and striped the campus parking lots and roads. We upgraded the auditorium sound system to enhance the quality of sound during performances, presentations and meetings. The Junior High gym floor was resurfaced as per the plan. We also purchased classroom and conference room furniture for both the High School and Junior High School.

The security vestibule at the Junior High School was completed and is now fully operational, providing that extra layer of security for our students and staff. The High School security vestibule plans and specifications are finished and we will go out to bid this February 2018.

We procured a student services van in support of our need to provide transportation to our special needs community. This will, in fact, save our district in transportation fees alone. The ability to transport our own students had proven to be a tremendous morale boost to our program.

The maintenance staff conducted preventative and scheduled maintenance on all facility equipment, systems and machinery.

Sippican Elementary School

In keeping with our safe and secure initiative, we procured additional radios for all staff members. This will allow routine as well as emergency communications with administrators and first responders, if necessary.

We resurfaced the bus loop foyer and hallway with VCT (tile) as part of our Capital Improvement Plan. The stairway and ramp to the front playground was repaired and stanchions replaced as needed. Engineered Wood Fiber (EWF) was added to our playground surfaces to maintain the required fall cushion for our students. We also completed minor repairs to the playground apparatus and structures to provide a safe play area for our students and the children of the community.

Our outsourced custodial service is at the 6 month mark and I am happy to report that we have received nothing but praise about the cleanliness and appearance of the building from both staff and the community, including Town officials.

We conducted preventative maintenance on all facility, equipment and machinery, including the HVAC System.

Center School

We continue our security update here at Center by upgrading and enhancing the security surveillance system. This will allow us to monitor movement throughout the school and grounds to ensure the safety of our students, staff and protection of our building and grounds.

As part of the Town-voted article, funds are available to construct a security vestibule at the front entrance and a set of doors between the school and the Council on Aging. This will provide an added level of security and safety to our school community. We will go out to bid in early February 2018 for a completion date by August 2018.

We solicited bids and through a thorough selection, awarded the contract to Star Building Services for custodial services commencing July 1, 2018. The contractor will conduct a Job Fair in March 2018 to offer our current custodians first refusal rights.

We conducted preventative maintenance on all facility, equipment and machinery, including the HVAC System.

Old Hammondtown School

At Old Hammondtown we also updated our security by upgrading and enhancing the security surveillance system. This will allow us to monitor movement throughout the school and grounds to ensure the safety of our students, staff and protection of our building and grounds.

Through the Capital Improvement funds the Town has approved the kitchen roof project. This will replace the roof over the kitchen which was not done during the last renovation in 2001.

The security vestibule project has been awarded to the contractor and work has commenced. Further construction and installation will take place during the winter and spring breaks, so as not to cause any disruptions to the education process.

We solicited bids and through a thorough selection, awarded the contract to Star Building Services for custodial services commencing July 1, 2018. The contractor will conduct a Job Fair in March 2018 to offer our current custodians first refusal rights.

We conducted preventative maintenance on all facility, equipment and machinery, including the HVAC System.

Student Services and Special Education

During 2017 and as compared with the Commonwealth of Massachusetts the Marion, Mattapoisett, Rochester and Old Rochester Regional School Districts educated 87% of their students who receive special education within a full inclusion service delivery model, as compared with a state average of 63.3%. The benefits of education within our neighborhood schools include: higher expectations for students with disabilities; improved instruction (because of the need for teachers to teach to individual children regardless of their achievement levels); and a richer school environment because of the diversity of our classrooms. The average percentage of students with disabilities (SWDs) is 15%, which is 2.6% less than the state average of 17.6%. However, there is variability in the percent of students with disabilities among our school districts – as outlined in the table below:

District	%SWD
Marion	20%
Mattapoisett	14%
Rochester	18.4%
ORR	12.2%
System-Wide	15%
State-Wide	17.6%

Moreover, the Office of Student Services developed a Transition Program for special education students who have completed their traditional High School experiences, but still require special education transitional services in accordance with their special education Individual Education Programs until their 22nd birthdays. The focus areas of the Transition Program include functional academics, developing adult living skills, individualized job coaching and learning community access norms and expectations.

Special Education Services Enrollment

Students who receive special education services in the Tri-Town Area range in age from 3 to 21. Our integrated preschool program called Project GROW provides services for any preschoolers who are eligible for special education. Some preschoolers, who are eligible for special education services, receive therapies on an appointment basis based on individual needs.

Students in elementary schools range from those who may have very mild learning or language disabilities or a developmental delay to students who have very significant disabilities (autism, multiple disabilities, etc.). School-based TEAMS consider the impact of the student's disability on their education in determining the types of services or program the student needs. Some students with complex disabilities affecting all areas of their lives may require services after school or during summer vacation. As students become older, school based TEAMS work with adult agencies to begin the transition process for students who are entitled to support services.

Finances

Federal and state grants continue to offset staffing in all four school districts, as well as provide staff development for targeted student needs including social/emotional learning, language-based learning disabilities, and students with significant and complex needs. Grants also offset a percentage of preschool programming. Finally, the continued investment in providing special education services within the neighborhood schools enriches the quality of teaching available to all students, improves the school culture and ultimately results in students with disabilities and their families maintaining a higher level of independence. OPEB Trust Fund funding for Old Rochester Regional School District is being appropriated in the Operating Budget, FY18 appropriation is \$10,000 and proposed appropriation for FY19 is \$25,000. As of July 15, 2017 \$35,602 is reserved for the OPEB Trust Fund.

The School Budgets

The table below displays the trends in the budgets of the Tri-Town district in the last three years.

The per pupil cost for education in the schools of the Old Rochester Regional and Massachusetts Superintendency Union #55 is compared to each other as well as to the Massachusetts state average:

	<u>FY'14</u>	<u>FY'15</u>	<u>FY'16</u>
Marion	\$14,931	\$15,978	\$15,889
Mattapoisett	\$15,449	\$15,817	\$16,992
Rochester	\$13,192	\$13,695	\$14,153
Old Rochester	\$13,956	\$14,099	\$14,918
State Average	\$14,518	\$14,936	\$15,545

The source of support for public education programs in the Old Rochester Regional School District/Massachusetts Superintendency Union #55 includes funding sources described in the tables below:

Local Tax Assessments: Local School Budgets: (Grades K-6 Elementary School Program)

	<u>FY'15</u>	<u>FY'16</u>	<u>FY'17</u>
Marion	\$5,608,265	\$5,634,987	\$5,860,656
Mattapoisett	\$6,201,946	\$6,385,750	\$6,782,233
Rochester	\$5,672,343	\$5,798,410	\$5,937,801

Enrollment

The October 1st enrollment totals in the Old Rochester Regional/Massachusetts Superintendency Union #55 Districts are showing a fluctuation from year to year. Although the enrollment trends in the state are showing a decrease in school age population the tri-town seems to remain consistent.

	<u>October 1 Figures</u>		
	<u>2015</u>	<u>2016</u>	<u>2017</u>
Sippican School	443	454	454
Center School	251	233	239
Old Hammondtown	229	210	199
Rochester Memorial	481	467	495
ORR Junior High School	460	482	443
ORR Senior High School	701	688	696

Although a high percentage of the elementary school students K-6 are enrolled in the Tri-Town Public Schools there is some movement to independent and parochial schools from grade seven and a more significant movement to independent, parochial, and vocational schools, after the eighth grade. The following chart captures trends in student transfers. The largest transfer trend is seen from Grade 8 to Grade 9 where some of our students opt to go into Vocational High Schools, such as Upper Cape Cod Technical High School, Old Colony Regional High School and Bristol County Agricultural High School.

	<u>2015</u>	<u>2016</u>	<u>2017</u>
Grade 6	235	209	199
Grade 7	239	239	204
Grade 8	221	243	239
Grade 9	172	163	172
Grade 12	177	160	189
Graduating Class *	183	187	177

* Graduating class figures are as of June; other figures are as of October 1, 2017.

Union Agreements

During the 2017 school year, contracts were settled with the Marion Teachers Association and the Rochester Memorial Support Staff. At the time of this report, negotiations have started with the Marion Support Staff, Rochester Teachers Association and the Mattapoisett Teachers Association. Please note that these three contracts will expire in the summer of 2018.

Curriculum & Instruction

Last fall brought the advent of a new MCAS examination which replaced the PARCC exam.

The assessment is created in Massachusetts by our educators; it is called “MCAS 2.0” and it was administered to our students grades 3-8 on line. Our youngsters’ experience and practice over the past few years while taking the PARCC exam as well as our Chromebook 1:1 initiative served them well as youngsters were familiar with the rudiments of writing and computing to show what they know while using a Chromebook. You will find the scores from each elementary school our Junior High School and the Senior High School in the data which follows.

It is important to note that the performance levels on the new MCAS 2.0 differ from the former proficiency descriptors of the past PARCC exam. The bar was set on the new exam so that students who performed over 500 on a given test earned the designation of “Meets Expectations” or, “Exceeds Expectations.” We are proud of the performance of all of our students and of the work of our teachers and administrations to prepare students for the rigors of these new assessments. At the high school, the MCAS exam was the old, “legacy MCAS.” A discussion of the secondary performance also follows.

Rochester Memorial School Performance

On the Literacy MCAS 2.0, Grades 5 and 6 achieved an average standard score of 511.1 and 501 respectively for all students in the English Language Arts MCAS 2.0 assessment.

Moreover, on the ELA MCAS, Grades 3, 4, 5 and 6 scored at the 75th, 87th, 90th and 94th achievement percentile level at Rochester Memorial for the high needs subgroups, special education subgroup and/or economically disadvantaged subgroups. Dedication to close the achievement gap between regular education and special subgroups paid off!

Grades 4-6 students at Rochester Memorial Elementary School scored at the 51st, 90th and 56th achievement percentile level for all students in each respective cohort. In grades 3-6, students scored in the 63rd achievement percentile level.

Rochester reported student growth percentiles of 63 for grade 4 ELA, growth percentiles of 74 for grade 5 ELA and a school wide growth percentile of 62 as compared to the expectation of 50 for the ELA content area.

On the Mathematics 2.0 assessment, a particular point of pride is Grade 5 with 76% of students scoring in the Exceeding and/or Meeting Expectations category on the Mathematics assessment and scoring in the 93rd achievement percentile level statewide. Grades 4, 5 and 6 scored at the 69th, 87th and 97th achievement percentile level respectively in our high needs subgroups, special education subgroup and/or economically disadvantaged subgroups. The Grade 3-6 special education subgroup scored at the 83rd achievement percentile level.

Grades 5 and 6 achieved average standard scores of 513.5 and 502.1 respectively for all students on the Mathematics MCAS 2.0 assessment.

Rochester 4th graders scored a student growth percentile of 62 in grade 4, a growth percentile of 85.5 in grade 5 and student growth percentile of 66 for all students grades 3-6 as compared to the expectation of 50 in the mathematics content area statewide. Our three years using the GO Math! curriculum is showing successful implementation of this program as not only do children enjoy it, it meets the expectations for rigor demanded on these new state assessments.

Percent of Students at Each Achievement Level for Math
Rochester Memorial School

With regard to the Science Technology and Engineering MCAS state assessments which are taken in grades 5, 8, and 9, the performance levels of this older MCAS remained the same. Our goal was to help as many students as possible to get to the top bars of Advanced and Proficient. Rochester Memorial School 5th graders were higher than the state in the Advanced and Proficient categories by a 24% margin. The graph below visually describes this data.

Rochester Memorial School

Grade and Subject	Meeting or Exceeding Expectations		Exceeding Expectations		Meeting Expectations		Partially Meeting Expectations		Not Meeting Expectations		Included	Avg. Scaled Score	SGP	Included in SGP

Sippican School Performance

In English Language Arts, the average score for all students at Marion's Sippican School in grades 3-6 on the new MCAS 2.0 was 504.9, which exceeded the state's benchmark of 500. Additionally, students in grade 3 through 6 exceeded the state on all ELA standards. Grades 4 and 5 exceeded the state on all prioritized Reading Standards. The student growth in English for students in grade 6 was particularly outstanding at 61.5%.

Next Generation MCAS Tests 2017 Percent of Students at Each Achievement Level for ELA Sippican School

Sippican's Everyday Math Program, coupled with the skillful teaching of the schools' teachers, is clearly showing efficacy. All grade levels performed over the desired score of 500 making all students at or above the average scaled score needed for Meeting Expectations or Exceeding Expectations at all grade levels. All tested grade levels, for those students in grades 3 through 6, saw 60% or greater in the Meeting Expectations or Exceeding Expectations categories in Math. Students in grades 5 and 6 exceeded 60% growth in Math.

GRADE 05 - SCIENCE AND TECH/ENG	57	46	18	17	38	29	31	39	12	15	65	79.6	N/A	N/A

In Sippican 5th grade science, 57% of all students in Grade 5 scored Advanced or Proficient. Sippican students exceeded the state in A & P by 11 percentage points.

Mattapoisset Academic Performance

Mattapoisset students who learn at the Center School or in grades 4, 5, and 6 at the Old Hammondtown School in grades 3-8 continue to outperform students throughout the state in both ELA and Math. Students continue to make substantial academic gains even when they are already performing at high levels.

Overall, in Mattapoisset's Old Hammondtown School both Grades 5 and 6 fall in the high-growth and high-achievement quadrant of the distribution for both ELA and for Math. This is a point of pride because it shows that students are coming in each year at relatively strong levels and the school maintains, or in most cases, accelerates those levels of achievement.

Center School 3rd graders scored in the 84th percentile in ELA, and the 89th percentile in Math. Old Hammondtown 4th-6th grade students scored in the 90th percentile in ELA, and 92nd in Math. In both sixth grade ELA and Math, our students scored above the state by double digits in every single reporting category and 16% higher overall and 17% higher overall.

Percent of Students at Each Achievement Level for Math

As to the growth distribution in English Language Arts, in grade 4 students grew by 31%, in Grade 5 by 52%, and Grade 6- by 83%. Thus, our students were classified as either "high growth" or "very high growth" even while taking into account Mattapoisset students' strong academic performance the prior year.

Next Generation MCAS Tests 2017
Percent of Students at Each Achievement Level for ELA

63 % of all Mattapoissett students in Grade 5 scored Advanced or Proficient on the STE MCAS.

Students consistently score high when compared to the State in the following strands: Technology/Engineering-Materials and Tools, Earth and Space Science, Physical Science and on Technology/Engineering.

Old Hammondtown School fifth graders continue to outscore the State average on both multiple choice, and open response questions writing questions.

On Multiple Choice questions, Mattapoissett performs at 80 % vs. State 72 %. Open Response questions focused on Science, Mattapoissett 5th graders achieve 59% vs. State 48%. On long science essays, the average score is Mattapoissett 2.34 vs. the State at 1.94.

Old Rochester Regional Junior High School Performance

The Old Rochester Junior High School serves students from grades 7 and 8. JRHS students originate from our three towns elementary schools as well as “choice” in from surrounding communities. These choice students add to our diversity.

In English Language Arts on the MCAS 2.0 the grade 7 performance was 24% over the state in the Meeting Expectations and Exceeding Expectations categories. The grade 7 student Growth percentile was 47%. In grade 8 English, the student growth percentile was 58%. 61% of the students performed in the Meeting Expectations and Exceeding Expectations categories.

Next Generation MCAS Tests 2017
Percent of Students at Each Achievement Level for ELA

In Math grade 7, our school performance was 18% higher than the state on the Meeting Expectations or Exceeding Expectations categories. Grade 8 was 9% Higher than the state on the Meeting Expectations and Exceeding Expectations categories. The grade 8 Algebra I score was 24% higher than the state for the Meeting Expectations and Exceeding Expectations performance levels.

At the Junior High, science students in grade 8 scored 12% higher than the state average for students in the combined Advanced and Proficient categories. Students performed well on questions focused on Technology and Engineering. They were similarly distinguished on questions related to communication technologies, manufacturing technologies as well as transportation technologies.

Old Rochester Regional High School Performance

The Old Rochester Regional High School receives and support students from our Old Rochester Regional Junior High School as well as from many surrounding cities and towns who choice in to our school. High School students are assessed using the “legacy,” or past model of MCAS which was using paper and pencil.

We were very pleased to see the Old Rochester Regional High School attain Level 1 status, which means it was among the top performing high schools in the state. In the data below, you will see that in the grade 10 year, 99% of our sophomores earned an Advanced or Proficient on the assessment for English Language Arts, and 96% earned Advanced and Proficient in Mathematics. For the grade 9 class taking the Biology MCAS exam, 88% scored in the Proficient or Advanced category. Clearly the foundation laid in the elementary and middle school years by a continuum of skillful teachers has prepared students for the assessment and the curriculum at our high school is aligned with the MCAS assessment.

Old Rochester Regional SAT Performance

79% of the grade 11 class took the SAT exam. In 2017, the Mean score for Critical reading and Writing was 578, and the mean SAT Math score was 565.

Advanced Placement Enrollment and Performance

Considerable work has taken place to train more High School teachers to teach Advanced Placement courses and invite more students to access these rigorous college level courses. Below you will see the enrollment of students in each Advanced Placement course and the performance of the students.

The chart below describes the AP courses at Old Rochester Regional High School and the exponential growth in enrollment.

Advanced Placement Enrollment

85% of selective colleges and universities report that a student's AP experience favorably impacts admissions decisions. Colleges rank grades in college-preparatory courses and strength of curriculum as the two top factors in the admission decision.

- ORRHS offers 17 AP Courses to students in grades 10-12.
- ORRHS has 21 AP-trained teachers on staff.
- Since 2012, ORRHS has increased AP participation by 204%.
- 120 of 202 (59%) of ORRHS seniors ('18) have taken at least 1 AP Class.
- 70% of ORRHS AP tests ('17) yielded a score of 3 or better (a qualifying score).
- ORRHS graduated 55 seniors in 2017 with the AP Scholar distinction.

AP Offerings at ORRHS:

- Biology
- Calculus
- Chemistry

ORRHS has been named to the College Board's 6th Annual AP® District Honor Roll. The Honor Roll recognizes 425 school districts in the U.S. and Canada that have increased access to AP coursework while maintaining or increasing the percentage of students earning scores of 3 or higher on AP Exams.

For most students, if a 3, 4, or 5 is earned in an Advanced Placement course, the student can earn advanced placement at college, saving the tuition for these courses. In the 2017 school year there were 361 total AP exams taken. Many of those exams were taken by the same students. The scores earned on those exams are seen below.

AP® Current Year Score Summary (2017)

This report lists the total numbers of each score (1 to 5) for each AP subject and the total number of unique students for each AP score.

✓ Data Updated Jul 26, 2017, Report Run Jan 19, 2018

Environmental Science	1	4	2	2		9

Particular Old Rochester AP courses invite students in and open the doors so that many students attain the AP experience. A particular point of pride is the robust enrollment in psychology with 76 students, wherein 55 earned a qualifying score. Additionally, in AP literature, 39 enrolled and 34 earned a qualifying score. In AP Language, which is a rhetoric course offered in the junior year, students elect this course and learn important synthesis and writing skills. Sixty two students took AP language and all but 12 earned a qualifying score.

of 2017.

Some students matriculated at highly selective colleges such as: Clemson, Bates, Bowdoin, Brandeis, Colby, Dartmouth College, Fairfield University, James Madison University and Williams College. Others enrolled in local Boston schools including: Boston College, Northeastern and Boston University and Suffolk University.

The interest of our students toward finance were reflected in those who chose Bentley and Babson. Many ventured faraway by choosing California's Loyola Marymount, Arizona State, Purdue, Florida State, University of Kentucky, or they ventured to our nation's capital for Georgetown University or George Washington University.

Our proximity to Rhode Island attracted many of our students to the University of Rhode Island, Rhode Island College, and Salve Regina.

However, most of our students chose our University of Massachusetts campuses or state college schools for their higher education. Twenty-five students entered Bristol Community College to start their first two years of college. Sixteen students enrolled in the University of Dartmouth, 13 enrolled in Bridgewater State University, two enrolled in the University of UMASS at Lowell and five enrolled in the University of Massachusetts, Amherst.

Conclusion

The district continues to focus on objectives established in the five-year strategic plan, superintendent goals, and the leadership goals. All three areas emphasized the importance of social emotional learning, technology, as well as academic rigor and relevance.

The administrators and teachers across all of our districts have incorporated the research-based CASEL model into their schools and classrooms to support students' social and emotional needs. Teachers have blended the use of technology in their classrooms. In addition, educators have aligned their teaching practices with the work of Robert Marzano and John Hattie. Both researchers have shown the importance of creating learning environments that engage students in project-based learning, and support ongoing effective feedback. As a result of focusing on these important areas of education students in the tri-towns are learning and developing skills that will help them compete as 21st century jobseekers or learners.

Over the last year, the new leadership in Washington has advocated for more school choice opportunities for students with a focus on increasing the number of charter schools and providing parents with reimbursement vouchers. As a result of this action, funding is being shifted away from public education and more towards private schools. We've seen a reduction in grant funding at the local level, which is impacting our ability to sustain the level of services in our schools. If this type of action continues, we will see program such like Title I Reading and math, early childhood education and special education supplemental programs being reduced or eventually eliminated.

Last year our students participated in the new MCAS 2.0 online assessments in English and math. In the coming year our students will participate in the new science online assessment that is aligned with Next Generation Science standards. Our students scored well on the new assessment as compared to other districts in the state. Along with the new assessments comes a new accountability system that will be implemented over the next year. A school's accountability level will be measured by a student's academic and growth scores as well as student's attendance, strength of courses and graduation rates. As a result of the new testing and accountability system, educators and students will have pertinent information that will identify strengths and weaknesses, which will lead to better learning for all.

In closing, our schools are in good condition. Our students continue to be recognized for their accomplishments at the national, state and local levels. Over the next few years sustaining and maintaining resources and funding may become more challenging. Depending on decisions being made at the federal level, funding at the state and local levels may be affected. The state legislature must work on revamping the chapter 70 formula to be more equitable for all cities and towns. Town officials continue to find ways to fill the gaps that have been caused by federal and state reductions. As superintendent, I want to thank the citizens of the three towns for their continued support in providing the necessary resources and funds to allow every student the opportunity to maximize their potential.

School Committee

The following School Committee members concluded their service during the 2016-2017 school year, and we extend our thanks for their willingness to offer the many hours and considerable commitment required for this particular responsibility. The stakes involved in school committee decision-making are quite high.

The following school committee members completed terms in 2017:

Cheryl Hebert, ORR School Committee, Rochester
Peter LeBrun, ORR School Committee, Mattapoisett
Dennis Perry, ORR School Committee, Mattapoisett
Christine Winters, Marion School Committee
James Higgins, Mattapoisett School Committee
Harry Carter Hunt, III, Mattapoisett School Committee
Jennifer Kulak, Rochester School Committee

The following school committee members began terms in 2017:

Joseph Pires, ORR School Committee, Rochester
Deborah Dyson, ORR School Committee, Mattapoisett
Stefan Gabriel, ORR School Committee, Mattapoisett
Ronald Gerhart, Marion School Committee
Charles Colburn Rider, Mattapoisett School Committee
Carole Clifford, Mattapoisett School Committee
Anne Fernandes, Rochester School Committee

**Annual Administrator's Report
2016-2017
Sippican School
Marion, Massachusetts**

During the 2016-2017 school year the State transitioned back to MCAS, this time MCAS 2.0, as a measure of student progress. Sippican School proudly continues its rating as a Massachusetts Level 1 school. This is just one measure of the hard work and “grit” of the Sippican staff and students. This efficacy reveals itself in the many ways contained in this report. The Sippican School’s tradition of excellence is a testament to the ongoing support of our families and community.

The school year began with 452 students, including 42 new students in grades 1 through 6. Focus areas for the year centered around continued work on firming up a new standards based report card, the District-wide science vertical team was charged with the development of a new science curriculum, improved kindergarten placement procedures, and continued alignment of CASEL to enhance the social emotional growth of our students. The Anchor program, led by Lisa Dix and Lisa Horan presented families with a variety of ways to connect with the school and community.

Staffing

This year we bid farewell to several members of our staff. We wish Ruth Warner, Susan Paling, Karen Clark and Nancy Havel all the best in their retirement. In turn we welcomed new paraprofessionals Darlene Goll, Nicholas Mendonca, and Jenna Sylvia. Melissa Cieto made the move from the classroom to serving students in the role of special education teacher. We are excited to be joined by these new members and are proud of the stability of our established highly qualified team of professionals who make Sippican School a special place to learn.

Curriculum and Staff Development

Professional development is at the heart of keeping our staff’s skills well-polished. All staff had the opportunity to hone their skills in a variety of ways. The administrative team studied the work of Hattie and Marzano during their summer retreat. The high powered learning strategies of these researchers became the staff meeting professional development for teachers. Several staff members again attended Teachers College at Columbia University continuing the mission to provide students the best readers and writers workshops. Under the leadership of Denise Bouvette and Charles West, seven staff members received Crisis Prevention Institute training. Nicole Boussy, William Roseman, MJ Menezes, Cathleen Furtado and Sarah Goerges attended the MassCue conference at Gillette stadium where they added to their repertoire of technological skills. The Tri-town police departments offered their services and provided ALICE training to new staff and any wishing to refresh their skills. The report card committee worked tirelessly to construct the new standards based report card that will debut in the fall. The Science vertical team has delineated the new curriculum units and has begun training grade level teachers across the District. Each of these components of teacher learning translates to endless benefits to our students.

Highlights Across the School

Kindergarten had a new look to its opening procedures. Smaller groups of students were invited to join the K teachers and a variety of specialists for a half day to participate in a variety of screening and orientation activities.

After all incoming kindergarteners had this opportunity; the teachers were able to form well-balanced classrooms to enhance learning.

Anchor offered programming to families each month. The offerings were held at a variety of locations for convenience. Under the direction of Lisa Dix and Lisa Horan families and community members were welcomed to math nights, experienced the benefits of mindfulness, participated in an egg hunt and so much more. The program partnered with the Old Rochester Regional High School Ambassadors who provided parents with babysitting and a great cross-school connection.

Students at Sippican not only learn in their classrooms, but are offered a variety of learning experiences outside the classroom that encompass both their curriculums and the arts. These were presented in the form of projects, field trips, in school presentations and clubs. Among these opportunities were visits with and to the New Bedford Symphony across the grade levels, guest speakers such Mr. Boa Hyunh, presentation by the Boston Museum of Science to grade 4 on how simple machines work, an interactive presentation on Colonial America, the Marion Fire Department's fire safety presentation, Zeiterion Theater experiences for every grade level, a kindergarten visit from the Owl Lady, participation in Hour of Code, marketplace project, zoo project, Festival of Lights and many field trips that directly linked with curriculum. After school hours, learning continued with student's participation in Band, Chorus, Garden Club, Lexia Club, and Drama Club. Each offering is a demonstration of the investment on the part of staff and community to extend learning beyond that which takes place in the classroom.

Community Connections

Volunteers At Sippican Elementary (V.A.S.E.) tirelessly supported the academic experience at Sippican School by promoting the arts. They graciously coordinated all trips for each grade to the Zeiterion Theater. Each grade level was able to bring varying experiences into the school that added to the curriculum through their financial support. Examples of these programs would be the Colonial America theater group, coordination of the New Bedford Ballet performance, and the Boston Science Museum presentation for grade 4. V.A.S.E. members supplied recess equipment to allow students many activity choices. We are appreciative of their continued assistance to the students of Sippican School.

A generous donation made it possible to expand the use of Chrome Books by providing a class set for grades 1, 2, and 3. The donation paid for countless field trips, lunch and breakfast balances, and essentials such as: coats, backpacks and more for students needing assistance. The funds helped to support the Anchor program purchase supplies that were used for students and families. Additionally, the Playworks program will be training recess staff in FY 18. This training will allow staff to facilitate play while modeling community and caring. We are grateful to be afforded the opportunity to do all of this to benefit our students.

Our school community offers many school to home, and school to community connections. Families have opportunities to see learning in action during the school day. A few of the many offerings this year were 1st grade Family Traditions, Vocabulary Day All School Meeting, open invitation at all All School Meetings, Kindergarten's Festival of Lights, and 2nd grade's Country Celebration. Family and community members are regularly invited to see student learning and talent outside of the school day. Here are a few of the highlights from 2016-2017:

- Sippican School band marching in parades/Stroll
- Band and Chorus evening performances
- Drama Club performance
- Science Fair
- "Oh the Places You Go" schoolwide reading challenge

- Sippican's Got Talent, talent show
- School Garden Community shares
- Band Blast

Conclusion

2016-2017 was a year filled with the creation of partnerships to enhance the learning of our students. We thank all who contribute to making Sippican School a true learning community.

To follow our activities on a continual basis please follow us on Facebook.

Evelyn J. Rivet, Principal

**Principal's Annual Report
Old Rochester Regional Junior High School
School Year 2016-2017
Kevin T. Brogioli-Principal
Silas Coellner, Assistant Principal**

The Junior High experienced several personnel changes in the past year.

The following new staff were added to the Junior High:

Lauren O'Brien – Grade 7 Science Teacher
Karen Horan – Physical Education Teacher
MaryAnn Roy – Speech/Language Assistant

The following staff resigned from the Junior High:

Mr. James Farmer – Band and Music Teacher

Additionally, District Coordinator positions were re-instated for the following Grade 9-12 departments:

ELA:	Robert Biehl
Math:	Melanie Kellum
Social Studies:	Erich Carroll
World Language:	Steven Bernardo
Science:	Heidi Graser & Colleen Foster
Special Education:	Carlin Danner
Guidance:	Donna Perry

Coordinators participated in Leadership Training led by Dr. White and Dr. Patti Grenier from Teachers 21.

Team Leader positions were re-instated on each of the following interdisciplinary teams:

Grade 7 – Red Team: Erin Sullivan
Grade 7 – Blue Team: Justin Caldarone
Grade 7 – Purple Team: Nate Orie
Grade 8 – Green Team: Beth Faria
Grade 8 – Orange Team: Jeff Lombard
Exploratory: Angie Vaughn

All Team Leaders attended multiple leadership workshops run by Dr. White and Principal Brogioli.

Curriculum and Instruction:

- A third two-person Team was created in Grade 7. The "Purple Team" was composed of Mr. Nate Orie who taught Social Studies and ELA and Ms. Danielle Caron who taught Math and Science.
- We moved to a Trimester structure for our core academic classes
- We focused on presenting teachers with an Instructional Strategies Review based on the research of Robert Marzano. Each staff meeting was dedicated to a discussion about one or more high leverage strategies.
- We created a "flex block" during the school day where students could be assigned to teachers to receive extra help and interventions. This "flex block" occurred Monday through Thursday. On Fridays, we held our Advisory period where students meet in small groups with one teacher to build community and relationships and discuss thematic issues.

Afterschool Activities:

Old Rochester Regional Junior High School offers many intramural activities. During the 2016-2017 school year, intramural activities included Girls Field Hockey, Boys/Girls Soccer, Boys/Girls Basketball, Volleyball, and Fitness Club. The Boys/Girls Cross Country and Track Team were offered on an interscholastic basis.

Additionally, many students participated in other afterschool activities including Student Council, the Art Club, the Geek Club, Maker Space, Ping Pong, Yoga, and the drama production of Alice @ Wonderland.

Community Service:

During 2016/2017 our students were involved in the following projects:

- Annual Thanksgiving Banquet for the tri-town senior citizens – over 90 eighth-graders, 1/3 of the faculty staff and 1/2 of the cafeteria workers volunteered their time for this annual event. 250 Senior Citizens from the Tri-town area were served.
- Three students, Maeve Geraghty of Mattapoisett, Sean Lally of Marion and Carly Drew of Rochester, represented the Tri-towns at Project 351 in January. They met Governor Baker and participated in community service in Boston.
Additionally, they coordinated a clothing drive for Gift's to Give in the spring.
- Our Grade 8 Orange Team students volunteered their time during a field trip at Gifts to Give in New Bedford.
- Five "Parenting Workshops" run by former School Social Worker, James Fitzpatrick, were held in the evenings.
- The Student Affairs Committee helped 7th grader, Ally Ward, collect hats for City Mission in Boston. City Mission distributed coats and gloves to 200 Boston children in January. Ally had the idea to encourage ORRJHS students to donate winter hats as well.
- Grade 8 student, Delaney Shaw, organized a fundraiser/concert on May 14th at the high school auditorium, with recording artist Rebecca Correia, to help fund the painting of a mural on our inner courtyard wall.
- In conjunction with their advisories, the Orange Team held a walk-a-thon during school on May 25th to raise funds for "IT'S ALL ABOUT THE ANIMALS", a non-kill shelter in Rochester, MA.

Survival:

Approximately 138 students went to Northfield, Massachusetts for a week of survival in the wilderness. The trip was the 44th trip to Northfield for the Junior High. (35 more students attended then from the previous year)

S.C.O.P.E.: (Supplemental Courses Offering Personal Enrichment)

The remainder of our grade seven students who did not attend Survival took advantage of many educational opportunities in the South Coast. Students had the opportunity to select from a wide variety of valuable and interesting, "hands-on activities" and curriculum related educational field trips such as: Dartmouth YMCA (Team Building), Freedom Trail in Boston, Roger Williams Zoo in Providence, Fort Phoenix State Reservation/Carousel Family Fun Center in Fairhaven, Mattapoisett YMCA (Team Building/Cardboard Race), Sky Zone in Kingston.

Opening Day Orientation:

For the first time, we held an orientation half-day at the end of the summer for incoming Grade 7 students. Staff volunteered their time to work with incoming students on a scavenger hunt and other activities.

Students in Grade 7 were introduced to the junior high by attending a modified day here at the junior high. The day was used to help new students transition into the Junior High School by having planned activities and programs. Team building activities were employed to provide students the opportunity to communicate and work more effectively with other students. A cookout was held at the junior high for all grade seven students as an “icebreaker”. Grade 8 students met for breakfast before resuming a normal day schedule.

School Council:

The Old Rochester Regional Junior High School’s School Council met once a month from September 2016 to May 2017. The School Council reviewed the FY 16-17 budget and received updates on the budget process. Information on MCAS/PARCC was provided and parents and council members were kept abreast of the latest State of Massachusetts Department of Education updates. The council reviewed the School Improvement Plan for the 2015-2017 school years as well as reviewed and updated our student handbook.

Old Rochester Regional Junior High to Senior High Transition:

In December, Grade 8 students toured the Senior High School and visit with teachers and staff of the high school. In February, Grade 8 Parents attended an ORR High School Information Night.

Vocational School Visitation:

In November students in Grade 8 had the opportunity to visit Old Colony Vocational School. (Mattapoisett and Rochester Students). Upper Cape Vocational came to the junior high and gave a presentation to our Marion students. Interested students also had the opportunity to visit Bristol Agricultural School.

Grade 6 to 7 Student Transition:

We offered three (3) separate parent meetings in the spring at each of the elementary schools: Superintendent Dr. White, Assistant Principal – Silas Coellner, Guidance Counselor – Ms. DeChellis , and Principal – Kevin Brogioli led these meetings.

Our guidance counselors visited all three elementary schools in February to begin the transition process. Students in Grade 6 in Marion, Mattapoisett and Rochester were bused to the Junior High School in June to visit the junior high and to become familiar with the layout of the building. In March we held a “Parent Information Night” especially designed for the parents of our incoming grade seven students. Guidance counselors and administrators were present and ready to answer any questions that parents might have had.

As mentioned an orientation half-day was held at the end of August to familiarize incoming Grade 7 students with the school prior to the first day.

Initiatives:

- We maintained our summer reading program where students in grades 7 & 8 were allowed to choose a minimum of one book from a selection of fiction and non-fiction titles. A book discussion was held on their selected title in September.
- “Coffee with the Principal” was held four times during the school year.
- Our annual Magazine Fundraiser earned \$3,400.00 in profits for the Jr. High School. Money was used to defray fieldtrip costs, for student celebrations and to purchase equipment.
- With the Mattapoisett Police and School Resource Officer, Matt McGraw, we trained our staff and students in the A.L.I.C.E. program (enhanced lockdown for school intruder emergencies).

- We administered the Communities That Care Survey to all our students to gather information about risk factors.
- Student Roundtables were held with Grade 7 & Grade 8 students throughout the year. Discussions are related to school climate, homework, grades, extracurricular activities, etc.
- Staff voted on two of the nine Marzano Instructional Strategies to focus on during the 2017-18 school year. The two strategies were setting objectives and group work.
- The Healthy Tri-Town Coalition met all year and focused on three key areas based on Youth at Risk Survey results: depression, substance abuse, and relational violence. This committee was made up of administrators, teachers, parents, and community members.
- We continued to increase our 1 to 1 technology capability by leasing more chromebooks and carts.
- The School Council created a One-year School Improvement Plan.
- Ms. Sam Enos led the Annual Scholastic Book Fair during the month of December.
- Guest Speaker, Jessica Minahan, a Board Certified Behavior Analyst and Special Education was invited to speak with parents/community members – She is the author of “The Behavior Code: A Practical Guide to Understanding and Teaching the Most Challenging Students”.
- Maker Space – We worked on transforming our former library lab into a Maker Space, a place where students can create, invent and learn using a mix of low tech and high tech materials. Additionally, we offered opportunities after school on CAD, 3D printing, and circuit boards as well as stop motion video and taking computers apart.

Student Assemblies:

- In October, 2016 an ALICE drill took place with Officer Matt McGraw of the Mattapoisett Police Department; several “intruder” scenarios were given to the staff/students with directions on how to react.
- In February, 2017 – the film “Screenagers” was shown to Grade 7 & 8 students regarding technology abuse. Continued discussions took place in Advisory on: Technology in School, Social Media Pressures, Video Game Addiction, and Proper Balance in One’s Life.
- In March, 2017 – Grade 7 students attended the MARC (Massachusetts Aggression Reduction Center) Presentation addressing bullying, cyberbullying and thoughtful choices.
- 8th Grade students attended an assembly on the Mass. Jury System

Music Accomplishments:

The following music students auditioned for and were accepted into the Southeast District Music Festival. They performed with other musicians from Southeastern Massachusetts Festival held at Taunton High School in March, 2017.

Taylor Amaral
Bridget Farias
Carey McCollester
Caleb DeVoe
Aidan Root

Respectfully Submitted,

Kevin Brogioli, Principal

**Principal's Annual Report
Old Rochester Regional High School
2017
Michael Devoll – Principal
J. Michael Parker – Assistant Principal**

Our Towns

Our school serves three southeastern Massachusetts towns: Mattapoisett; Marion; and, Rochester. All three towns have maintained their individual charm through careful and thoughtful community planning. Marion and Mattapoisett are quaint, close-knit seaside communities. Rochester has a more rural landscape surrounded by scenic farms, cranberry bogs, pine forests and fresh water ponds. Residents are proud of their school systems and have been very supportive in passing legislation to insure its continued success.

Our School

The 2015-2016 school year featured a student body made up of 777 students, including 62 students attending Old Rochester Regional High School through the School Choice Program. Our student body resides in the communities of the Tri-Town: Marion, Mattapoisett, and Rochester. Through the School Choice Program the school was able to welcome residents of the following communities to our school: Acushnet, Fairhaven, Lakeville, Middleboro, New Bedford, Wareham, and Westport. In 2016, ORRHS graduated a class of 183 seniors, which represented a graduation rate of 98%. ORRHS school offers a comprehensive curriculum with a wide selection of Honors and Advanced Placement courses. In 2015, approximately 93% of ORR graduates continued their education at two or four-year colleges.

Our Faculty

Of the 61 faculty members at ORRHS, 78% have their Masters degree and 3% have their Doctoral degree.

This past year, Old Rochester has been named to the College Board's 6th Annual AP® District Honor Roll. The Honor Roll recognizes 547 school districts in the U.S. and Canada that have increased access to AP course work while maintaining or increasing the percentage of students earning scores of 3 or higher on AP Exams.

In 2017, the Science-Fiction Club has expanded its membership and continued its new tradition of monthly game nights. Students have been able to explore one of their favorite hobbies in a fun and inviting environment. The school newspaper, *Paw Prints* welcomed its largest class of freshman journalists who are already doing great work for the paper. This year, they also added layout editors who have incorporated the new school logo and developed aesthetically pleasing and creative layouts for every issue. They are also proud that they have been able to include work from the Sports Media class and Ms. Kidneys' ELITE classroom.

The National Honor Society is off to a great start. During our first fundraiser of the year, the NHS was able to raise over 700 dollars for Hurricane relief. The NHS has also been successful academically. In the first of three honor bowl rounds, the NHS won convincing victories over Fairhaven and Bourne.

The DREAMFAR High School Marathon Club has had a successful second year on the South coast. Fifteen students from Old Rochester, one student from Dartmouth High School, and one student from Global Learning Public Charter High School in New Bedford completed the Providence Marathon in May, and eighteen students from Old Rochester, two from Dartmouth High School, and two from Global Learning Public Charter High School in New Bedford completed the New Bedford Half Marathon. The program also included over forty volunteers and mentors from both the schools and the greater community. The program challenges students to reach their full potential--physically, socially, emotionally, and academically--through a mentor-supported marathon-training

program. Dreamfar mentors run alongside youth and help them train for and complete the New Bedford Half Marathon and the Cox Providence Marathon by providing companionship, motivation, and support. This program is entirely funded and run through community support and donations. DREAMFAR South coast, now known as South coast G.R.I.T. High School Marathon (Growth while Running and Inspiring Together), is already off to a great start in the 2017-2018 school year, with a great group of inspiring teachers and leaders.

The Old Rochester Regional High School Debate Team had a strong year in 2016-17 within the Eastern Massachusetts Debate League (EMDL). This season the debaters argued the following resolution Resolved: The United States federal government should establish a policy that substantially increases its diplomatic and/or economic engagement with the People's Republic of China. Varsity debaters Joshua Lerman, Jacob Spevack, Colleen Garcia Justin Shay and James Goulart graduated, ending a strong four years in the league. Underclassman debaters Ryu Huynh-Aoyama, Elise Mello, Andrew Steele, Emily Wilson, Emma Gabriel, Emma Blouin, Abigail Dyson and Nikki Fantoni all had an enjoyable and productive debate season.

During the 2016-2017 school year, the Music Department had eight students accepted to the Southeast District Music Festival, three to the All-State Music Festival in Boston, and one to the All-Eastern Music Festival in Atlantic City. So far in the 2017-2018 school year, the school has had eight students accepted to the District Festival and five students recommended to audition for All-State. In February 2017, the Jazz Band took Second Place in the division at the Berklee High School Jazz Festival. They then received a Silver rating at the MAJE Cape Cod Coastal Festival and a Silver rating at the MAJE Sate Finals. This school year is the first year of the new Contemporary A Cappella ensemble. Their first performance was in December at the Winter Concert, where they were very well received with a standing ovation.

During the 2016-2017 school year, the American Field Service club welcomed Garam Darwish, a student from Israel. The group also hosted the International Dinner, where they ask the exchange students from different high schools in the area to attend. The group also participated in a short-term exchange with Sonora High School in Sonora, California. The school also hosted students from Guangdong, China.

Once again, the Old Rochester Regional High School proved to be first-class and continued the school's history of excellence. The school also wishes fond farewell to staff members Beth Forgue, Tom Norris and Ben Tilton. Joining our staff during the 2017-2018 school year were Nathan Kane, Andrew Apperson, Ryan Chase and Erica Ponte.

Chairperson's Report 2017

Marion School Committee

The year of 2017 brought with it positive changes and advances to how the Marion School Committee supports the Sippican Elementary School. During 2017 some changes were made by the Marion School Committee in terms of how areas of service were delivered to the Sippican School. With the ever increasing social, emotional, behavioral and health/wellness needs of the students walking through the doors each day the school psychologist's role was increased from a .5 to a 1.0 position. Thanks to the support of our town's leaders, a previously eliminated .5 P.E. position was brought back for the start of the 2017 school year, and students at Sippican began to receive health instruction (through a .3 position) for the first time. As part of our budget process it was determined that there was a cost savings to outsourcing custodial services. This decision has brought a savings back to the town, and the Sippican School community has been pleased with the results regarding the cleanliness and care of the building.

Through a good portion of the 2017 members of the Marion School Committee worked with Superintendent Dr. Doug White and the Marion teachers' union through the contract negotiation process. It was decided by both the school committee and the union that we wanted to try a different approach to the negotiation process; Interest Based Bargaining (IBB). Interest based bargaining is a negotiation strategy in which parties collaborate to find a "win-win" solution to their areas of concern/need. This strategy focuses on developing mutually beneficial agreements based on the interests of all at the table.

The members of the Marion School Committee found the collaborative, respectful and proactive approach of IBB to be strongly preferred to previous methods used in "transitional" contract negotiations. The process of negotiating this new teacher contract involved months of regular meetings, thoughtful discussion and work by all involved. The resulting contract and the process by which it was achieved is something that all parties are proud of. The IBB process helped the Marion School Committee to achieve a contract that met the ever changing needs of Sippican School as we sought to meet the needs the student population (academically, socially, emotionally and behaviorally) as well as those of the teaching/professional staff while balancing those of administration and the financial considerations of the town. As 2017 drew to a close, members of the Marion School Committee were immersed in negotiations with the Sippican School paraprofessional, secretarial and cafeteria staff using the IBB model. Should anyone want to learn more about the IBB process and how it positively changed how the school committee's perspective/approach to negotiations, I would be happy to speak to anyone to share more about our experience.

The Marion School Committee has continued to work to support the goals and initiatives of the Sippican School and district's administration. The 2017 year brought with it the challenge of

transitioning students to yet another new (online) assessment system: MCAS 2.0. With the technology (both infrastructure and integration into the curriculum) having been a priority for the district, Sippican Elementary met the challenge and saw many areas of pride and success on the MCAS 2.0 results. Sippican Elementary School continues to be a Massachusetts Level 1 school. As we look ahead into 2018, continuing to support Marion's children in this ever changing world where learning in STEM (science, technology, engineering and mathematics) will continue to be an area of focus and priority for the Marion school committee.

We would like to thank families, the Sippican staff, district administration, members of the community and our local leaders for their consistent and steadfast support of the Sippican Elementary School. Working together as a community enables the Sippican School to meet the academic, social, emotional, behavioral, health and wellness needs of Marion's youngest citizens and future leaders.

Respectfully Submitted,

Christine A Marcolini
Chairperson
Marion School Committee

UPPER CAPE COD REGIONAL TECHNICAL SCHOOL
ANNUAL REPORT 2017

To the citizens of Bourne, Falmouth, Marion, Sandwich, and Wareham:

ELECTED SCHOOL COMMITTEE REPRESENTATIVES:

TOWN OF BOURNE	MARY CROOK JULIE WING
TOWN OF FALMOUTH	THOMAS CORRIVEAU, VICE-CHAIR MARYANN SMITH
TOWN OF MARION	ELIZABETH MAGAURAN
TOWN OF SANDWICH	MICHAEL DEGAN, TREASURER STEVEN CHALKE
TOWN OF WAREHAM	DOMINIC CAMMARANO ROBERT FICHTENMAYER, CHAIR
SUPERINTENDENT	DR. ROBERT A. DUTCH

Upper Cape Cod Regional Technical School foundation enrollment, as of October 1, 2016 consisted of one hundred ninety-four (194) students from Bourne, one hundred fifty-three (153) from Falmouth, eighteen (18) from Marion, one hundred twenty-six (126) from Sandwich, and two hundred forty-nine (249) from Wareham. The school also has a self-sufficient adult Licensed Practical Nursing program with both full-time and part-time day and evening programs available to students. For several years now, the school remains enrolled beyond capacity with a large waiting list. Due to the success of quality career and technical education garnering praise on regional, statewide, and national, fronts, the interest in attending Upper Cape Tech is increasing while the number of school age children is decreasing. Due to our limited number of seats the number of applicants who cannot be afforded the opportunity of a career and technical education continues to be significant.

School spirit has increased dramatically as enrollment has increased. Participation in athletics and extra-curricular activities is at an all time high. The school year concluded with Upper Cape Tech students experiencing great success in several trade competitions. Ten

students competed at the national level of the SkillsUSA competition in Louisville, Kentucky resulting in six gold medals and three bronze medals for Upper Cape Tech. An additional UCT student attended the national competition representing Massachusetts as a state officer for the SkillsUSA organization.

Upper Cape Tech continues to expand its offerings for adults and other out of school individuals. Adult tuition students, specialized afternoon and evening occupational programs, and summer programs are additional to the 740-pupil school day enrollment. Upper Cape Tech continues to offer valuable cost-effective services to its communities via its day and evening programs. During this fiscal year 1,743 adult students were enrolled in evening courses.

As the fiscal year concluded, several building projects were underway. Construction began on a building for the newly-added Heating, Ventilating, and Air Conditioning technical program. The 5,000 square foot building is comprised of two shop areas and a classroom. The district was awarded \$300,000 in grant funding for the purchase of equipment for the new Chapter 74 program. Other campus improvements included the addition of a state-of-the-art demonstration kitchen for the Culinary Arts program. The demonstration kitchen will also be utilized by the adult continuing education program resulting in additional revenue to the district. Finally, an additional exterior doorway was added to the building allowing easier access to the exterior shop buildings that have been constructed in recent years.

Upper Cape Tech staff and students are able to undertake much of the maintenance of the building, along with monitoring the facility's complex ventilation and heating, saving thousands of dollars in outside labor costs. Additionally, construction concluded this fiscal year on the solar canopies over the staff and student parking lot. The project, which was constructed at no cost to the school, is expected to result in a saving of twenty per cent in energy costs. The district has also started to realize savings in energy costs as a result of net metering credits through a power purchase agreement with Future Generation Wind.

The Regional School District Committee extends its appreciation to the many advisory boards that assist us in developing and maintaining educational programs, various town and school officials who support our efforts, and school staff members. It is the combined effort of all of these individuals that has enabled the success of the school and its graduates for the benefit of our communities. We look forward to your continued support.

Respectfully submitted,

Robert A. Dutch, Ed.D.

TOWN OF MARION
Annual Town Meeting Minutes
May 8, 2017

The Annual Town Meeting was called to order by Moderator Jeffrey Dickerson at 6:46 p.m. on May 8, 2017 at the Sippican School Auditorium. Invocation was by Rev. Geoffrey Piper of St. Gabriel's Episcopal Church. Tellers sworn were Christopher Berg and Helen Westergard. The Moderator noted the presence of a quorum and reported that the Warrant for the meeting had been posted and returned in accordance with the law.

Article 1. Motion was made and seconded that the Town compensate its elected Town officials, effective July 1, 2017, as follows:

EFFECTIVE JULY 1, 2017

	FY17	FY18	
	<u>Approp</u>	<u>Recommend</u>	<u>% chg</u>
Board of Selectmen, each member, per annum	\$ 4,902	\$ 4,902	0.0%

Motion passed by voice vote at 9:33 PM

Article 22. Motion was made and seconded that the Town will vote to raise and appropriate or transfer from available funds in the Treasury (Free Cash) the sum of \$180,000 to be expended by the Department of Public Works to support the development of procedures and the initial implementation of MS4 permit requirements, together with the development of required permit documents and the partial implementation to include GIS mapping, field investigations and training.

Motion passed by voice vote at 9:38 PM

Article 23. Motion was made and seconded that the Town will vote to raise and appropriate or transfer from available funds in the Treasury (Free Cash) the sum of \$12,600 to be expended by the Recreation Department for the purchase and installation of a new fiberglass utility box for the Department's 2005 Ford utility pick-up truck.

Motion passed by voice vote at 9:39 PM

Article 24. Motion was made and seconded that the Town will vote to raise and appropriate or transfer from available funds in the Treasury (Free Cash) the sum of \$20,000 to be expended by the Fire Dept. to purchase and install mini split air conditioner units in the second floor training room of the Marion Fire Headquarters.

Motion passed by voice vote at 9:40 PM

Article 25. Motion was made and seconded that the Town will vote to raise and appropriate or transfer from available funds in the Treasury (Free Cash) the sum of \$20,000 to be expended by the Board of Selectmen for the purpose of developing/updating job descriptions for town employees and to develop a salary classification plan for non-union, non-contracted employees.

Motion passed by voice vote at 9:53 PM

Article 26. Motion was made and seconded that the Town will vote to raise and appropriate or transfer from available funds in the Treasury the sum of \$25,500 to be expended by the Fire Department to install a ventilation system at Station 2, and that to meet this appropriation, transfer the sum of \$25,500 from Article 17 of the 2016 Annual Town Meeting.

Motion passed by voice vote at 9:54 PM

Article 27. Motion was made and seconded that the town will vote to raise and appropriate or transfer from available funds in the Treasury (Free Cash) the sum of \$5,000 for the purpose of having the Board of Selectmen engage the services of an analyst for the purpose of reviewing past ORR expenditure levels and uses, determine if adjustments need to be made in categories of expenditure for the future development of a strategic educational funding plan, with a schedule of implementation and appropriate allocation of funds to various areas and categories of the strategic plan.

Motion failed by voice vote at 10:01 PM

Article 28. Motion was made and seconded to pass over this Article in favor of Article S2 in the Special Town Meeting.

Motion passed by voice vote at 10:02 PM

Article 29. Motion was made and seconded that the Town will vote, pursuant to the provisions of MGL Chapter 44, §53E ½, to establish and authorize for FY17 a revolving fund for the following purposes: Recreation Revolving Fund, for the purpose of accepting receipts from fees collected from participants in the various recreation programs. Said funds to be received by the Treasurer and credited to the said revolving fund and said funds to be dispersed by the Town Accountant to offset the costs of these programs, total expense not to exceed \$150,000; or take any other action thereon.

Motion passed by voice vote at 10:12 PM

Article 30. Motion was made and seconded that the Town will vote to act upon the recommendation of the Community Preservation Committee to appropriate, from Fiscal Year 2018 estimated annual revenues, \$2,000 to the Community Preservation Committee for administrative expenses.

Motion passed by voice vote at 10:14 PM

Article 31. Motion was made and seconded that the Town will vote to act upon the recommendation of the Community Preservation Committee, from the Fiscal Year 2018 estimated annual revenues, \$87,900 for the purpose of meeting the requirements of the Community Preservation Act, MGL c. 44B, s. 6 for the purpose of Open Space, Community Housing, and Historic Reserves for Fiscal Year 2018; and \$203,100 to the Community Preservation Act Budgeted Reserves.

Motion passed by voice vote at 10:15 PM

Article 32. Motion was made and seconded that the Town will vote to act upon the recommendation of the Community Preservation Committee to appropriate \$24,500 from Historic Resources reserves and \$24,500 from CPA undesignated fund balance for a total of \$49,000, to the Marion Arts Center for the purpose of window replacement and trim preservation of its facility located at 80 Pleasant St.

Motion passed by voice vote at 10:24 PM

Article 33. Motion was made and seconded that Town vote to act upon the recommendation of the Community Preservation Committee to appropriate \$10,000 from Open Space/Recreation reserves and \$10,000 from CPA undesignated balance for a total of \$20,000 and transfer the same to the Department of Public Works and to be combined with funds from any and all other external non Town sources such as, but not limited to, state, federal, and private funding sources, grants, contracts for reimbursement, gifts, bequests and funds from other towns but not, specifically, other Town of Marion funds, for the purposes of passive recreation, open space conservation and public drinking water resource protection and to authorize the purchase in fee of approximately 164 acres, more or less, of land within the Mattapoisett River Valley and associated with the Branch Brook Drinking Water Land Protection Project, as shown on portions of the Rochester Assessors Map 1, Lots 7 and 8 and Map 3, Lots 3 and 5A and on the Mattapoisett Assessors Map 25, Lot 4; for a total purchase price of \$460,000, said fee purchase for the primary purpose, in conjunction with other government and nonprofit entities, to permanently preserve said 164 acres, more or less, as the same serves as a multi-town public drinking water supply aquifer, and said land to be conveyed under the provisions of MGL. Ch. 40 Sections 39B and 41, and that such land shall be made available to the public for passive recreational purposes that are consistent with protection of the water supply and the provisions of 310 CMR 22.00 and shall expressly be considered conservation land protected by Article 97 of the Amendments to the Constitution of the Commonwealth of Massachusetts, and to be held in the care, custody, and control of the Department of Public Works and further and to authorize the Board of Selectmen to acquire said property by purchase or gift and to enter into any and all agreements and to execute any and all instruments as may be necessary in the name of the Town to effectuate said purpose and to authorize the Board of Selectmen to enter into all agreements and applications deemed necessary for the receipt of funds, grants, and/or reimbursements from any and all sources including federal, state, local and private sources including the State Drinking Water Supply Protection Grant Program (Chapter 312 of the Acts of 2008, Section 2A, 2200-2017) and/or any other program in any way connected with the scope of this vote and further, to authorize the imposition of a Conservation Restriction within the meaning of MGL. Ch. 184, Sections 31-33 on said 164 acres, more or less, to be held, among others, by the Town of Mattapoisett, the Town of Fairhaven and the Buzzards Bay Coalition and to authorize the Board of Selectmen to negotiate the terms of said Conservation Restriction in the best interests of the Town of Marion

and consistent with the conservation purposes of this Article, and thereafter to authorize the Board of Selectmen to execute the same, provided, however, that should the Town of Marion not acquire the fee interest in the entirety of said 164 acres, more or less, any approval of this Article as authorized by Town Meeting shall be null and void, or take any other action thereon. No funds shall be expended pursuant to this vote until the Town has received, been allocated or otherwise secures through grants, contracts for reimbursement, gifts, contributions from other towns or other external funding, an amount equal to the acquisition costs, including related project costs, closing costs, legal fees, and transfer expenses for said property.

Motion passed by voice vote at 10:30 PM

Article 34. Motion was made and seconded the Town will vote to transfer the sum of \$2,000 from the Chester A. Vose Fund, said monies to be used by the Assessors for the reduction of taxes; or take any other action thereon.

Motion passed by voice vote at 10:31

Article 35. Motion was made and seconded that the Town will vote to amend Section 5.3 of the Marion Zoning Bylaw as follows:

ADD NEW SUBSECTION 5.3.4 AS FOLLOWS:

“5.3.4 A special permit from the Planning Board, in compliance with the requirements of Section 7.2, shall be required for all residential developments greater than four (4) dwelling units.”

ALSO, ADD NEW LINE WITHIN SECTION 4.2 (TABLE OF PRINCIPAL USE REGULATIONS) WITHIN SECTION A. “RESIDENTIAL USE” AS FOLLOWS:

“Multi-Family Residence (See Section 5.3)” and place the initials “PB” under the heading “RE”, corresponding with the line “Multi-Family Residence (See Section 5.3)”

ALSO, ADD TO THE FIRST SENTENCE OF 9.1.2 AFTER THE WORD “SPACES” ON LINE FOUR (4) OF THE FOLLOWING:

Or result in residential development of more than four (4) dwelling units of Multi – Family Residence (see Section 5.3)

Mr. Lane states that the Planning Board unanimously recommends the Bylaw amendment.

Motion passed with a unanimous voice vote at 10:37 PM

Article 36. Motion was made and seconded that the Town will vote to amend the zoning map of the Town of Marion to re-classify the following lots, located on Spring Street, as Zoning District Residence E:

- Map 24 – Lot 36A
- Map 24 – Lot 37
- Map 24 – Lot 37A
- Map 24 – Lot 38

Mr. Robert Lane states that the Planning Board recommends the approval of this Article.

Motion failed by voice vote at 10:59 PM

Article 37. Motion was made and seconded that the Town will vote to amend the General Bylaws of the Town of Marion by striking Article I, Section 5 in its entirety and inserting in place thereof the following:

“The tax collector or other municipal official responsible for the records of all municipal taxes, assessments, betterments and other municipal charges, hereinafter referred to as the tax collector, shall annually, and may periodically, furnish to each department, board, commission or division, hereinafter referred to as the licensing authority, that issues licenses or permits including renewals and transfers, a list of every person, corporation, or business enterprise, hereinafter referred to as the party, that has neglected or refused to pay any local taxes, fees, assessments, betterments or other municipal charges, and that such party has not filed in good faith a pending application for an abatement of such tax or a pending petition before the appellate tax board.

The licensing authority may deny, revoke or suspend any license or permit, including renewals and transfers of any party whose name appears on said list furnished to the licensing authority from the tax collector or with respect to any activity, event or other matter which is the subject of such license or permit and which activity, event or matter is carried out or exercised or is to be carried out or exercised on or about real estate owned by any party whose name appears on said list furnished to the licensing authority from the tax collector; provided, however, that written notice is given to the party and the tax collector, as required by applicable provisions of law, and the party is given a hearing to be held not earlier than fourteen days after said notice.

Said list shall be prima facie evidence for a denial, revocation or suspension of said license or permit to any party. The tax collector shall have the right to intervene in any hearing conducted with respect to such license denial, revocation or suspension. Any license or permit denied, suspended or revoked under this section shall not be reissued or renewed until the licensing authority receives a certificate issued by the tax collector that the party is in good standing with respect to any and all local taxes, fees, assessments, betterments or other municipal charges, payable to the municipality as of the date of issuance of said certificate.

Any party shall be given an opportunity to enter into a payment agreement, thereby allowing the licensing authority to issue a certificate indicating said limitations to the license or permit and the validity of said license shall be conditioned upon the satisfactory compliance with said agreement. Failure to comply with said agreement shall be grounds for the suspension or revocation of said license or permit, provided, however, that the holder be given notice and a hearing as required by applicable provisions of law.

The Board of Selectmen may waive such denial, suspension or revocation if it finds that there is no direct or indirect business interest by the property owner, its officers or stockholders, if any, or members of his immediate family, as defined in section one of chapter two hundred and sixty-eight A in the business or activity conducted in or on said property.

This section shall not apply to the following licenses and permits: open burning; section thirteen of chapter forty-eight; bicycle permits: section eleven A of chapter eighty-five; sales of articles for charitable purposes, section thirty-three of chapter one hundred and one; children work permits, section sixty-nine of chapter one hundred and forty-nine; clubs, associations dispensing food or beverage licenses, section twenty-one E of chapter one hundred and forty; dog licenses, section one hundred and thirty-seven of chapter one hundred and forty; fishing, hunting, trapping license. Section twelve of chapter one hundred and thirty-one; marriage licenses, section twenty-eight of chapter two hundred and seven and theatrical events, public exhibition permits, section one hundred and eighty-one of chapter one hundred and forty."

Motion passed by voice vote at 11:06 PM

Yes 49 No 18

Article 38. Motion was made and seconded that the Town will vote to amend the General Bylaws of the Town of Marion by inserting the following "Marion Water Resource Protection Bylaw":

A. Purpose

The purpose of this bylaw is to protect water resources in the Town of Marion, including surface and sub-surface water sources, from point and non-point source contamination, including the negative effects of unauthorized water withdrawals and water divisions.

B. Water Withdrawal Prohibition

Except as hereinafter provided, no persons shall withdraw water from surface or ground waters (including, but not limited to, wetlands, streams, rivers, lakes, springs, and ponds) within the Town of Marion into any tank vehicle or into any tank contained in or on any vehicle.

C. Exceptions

The prohibitions contained in Paragraph B above shall not apply to withdrawals or diversions associated with the following:

1. Any withdrawal or diversion permitted under a permit issued by the Marion Board of Water Commissioners or their designee, the Commonwealth of Massachusetts and/or the United States Government.
2. Any withdrawal or diversion associated with agricultural operations by either the owner of a private water supply or any other persons or entity having withdrawal rights of said water body.
3. Withdrawals or diversions associated with firefighting or training activities associated with firefighting.

D. Violations, Penalties and Enforcement

Any person or entity in violation of the provisions herein shall be punished by a fine of \$100 for the first violation and \$300 for each subsequent violation.

This bylaw shall be enforced under the non-criminal disposition provisions of Massachusetts General Laws, Chapter 40, Section 21D and may be enforced by the Conservation Commission, the Board of Health, the Fire Department, and/or the Police Department or their designees.

Motion failed by voice vote at 11:26 PM

Yes 21 No 49

Article 39. Motion was made and seconded that the Town will vote to direct the Board of Selectmen of the Town of Marion to declare a moratorium from the date of the approval by Town Meeting of this Article on the issuance, transfer or renewal of aquaculture licenses in the Town of Marion until such time as a review by the Board of Selectmen and Planning Board of the strategic use of all waterways under the jurisdiction of the Board of Selectmen of the Town of Marion can be undertaken and completed to determine the best harbor use, development and protection consistent with community consensus. The Board of Selectmen and the Planning Board will then develop a Harbor Bylaw consistent with the objectives hereinabove stated and direct the Marine Resources Committee to propose adoption consistent with the bylaws.

Presented by Citizen Petition

Motion failed by voice vote at 11:44 PM

Article 40. Motion was made and seconded to pass over this article.

Motion passed by voice vote at 11:44 PM

Article 41. Motion was made and seconded that the Town will vote to renumber and re-caption the General Bylaws of the Town as follows: to assign a new number to each chapter of the General Bylaws; to renumber each section accordingly; to insert chapter and section titles; to update internal references to reflect the new numbering system; to reorganize defined terms to be indented and capitalized in the definitions sections of various chapters; and to enact certain global changes to the text of the General Bylaws of the Town as follows:

1. To cite statutory references to the Massachusetts General Laws in a consistent manner, to read in the following form: **MGL c.__, §__.**
2. To impose a standard system of capitalization and citation of numbers throughout the General Bylaws.

all as incorporated in the document entitled "Town of Marion Final Draft," dated March 1, 2017, and on file in the office of the Town Clerk.

Motion passed voice vote at 11:49 PM

Article 42. Motion was made and seconded that the Town will vote to enact certain changes to the text of the General Bylaws of the Town, as noted by strikethroughs (indicating deletion) and underlines (indicating additions), all as set forth in the document entitled "Town of Marion Final Draft (Red Line)," dated March 1, 2017, on file in the office of the Town Clerk with the exception of the following:

1. In Section 7-14 (Page 6 of the document), make no changes to Section A.

Motion passed by voice vote at 11:50 PM

Article 43. Motion was made and seconded that the Town will vote to number and caption the Zoning Bylaw of the Town as Chapter 230, Zoning, of the "Code of the Town of Marion," as set forth in the document entitled "Town of Marion Final Draft," dated March 1, 2017, on file in the office of the Town Clerk.

Mr. Robert Lane states that the Planning Board recommends the approval of this Article.

Motion passed by voice vote at 11:51 PM

Article 44. Motion was made and seconded that the Town will vote to enact certain changes to the text of the Zoning Bylaw of the Town, as noted by strikethroughs (indicating deletion) and underlines (indicating additions), all as set forth in the document entitled "Town of Marion Final Draft (Red Line)," dated March 1, 2017, on file in the office of the Town Clerk with the exception of the following:

1. In the Table of Principal Use Regulations (Page 66 of the document), under Section A. (Principal Uses), make no changes to the 3rd line leaving the text to read "Dwelling in same building as principal non-residential use" and no changes to the corresponding symbols in the various Districts;
2. In Section 230-5.2 (Page 73 of the document), make no changes to the last paragraph of sub-section C (3) and thereby leave that paragraph to read "Said residential districts as shown on the Zoning Map of the Town of Marion, Massachusetts, February 1974, final revision July, 1999."
3. In Section 230-6.1 (Pages 78 and 79 of the document), at the end of the last sentence of Section E (1), do not add the word "current" and do not strike the words "February, 1984, final revision date July, 1999"

Mr. Robert Lane states that the Planning Board recommends the approval of this Article.

Motion declared passed by 2/3 vote at 11:53 PM

Article 45. Motion was made and seconded that the Town will authorize the Board of Selectmen to take all appropriate actions to accept a gift of real property consisting of approximately 0.19 acres and currently owned by the Estate of Donal and Elizabeth Durfee, said real property identified on the Town of Marion Assessors' records on Map 23, Lot 85C and found at the Plymouth County Registry of Deeds at Book 17962, Page 0206.

Motion passed by voice vote at 11:54 PM

Article 46. Motion was made and seconded that the Town will vote to authorize the Board of Selectmen or its designee to make application on behalf of the Town to the appropriate agency of the Federal or State Governments for grants in aid or other funds or to private foundations or other foundations to further carry out certain programs hereinafter listed and to expend such grants to the Town; said applications and expenditures may include, but not be limited to, the following:

- A. Emergency Management Funds
- B. Sewer system, planning and improvements
- C. Water system improvements and aquifer protection
- D. Recreation and conservation land planning, acquisition, and improvements of open space
- E. Open space acquisition
- F. Executive Office of Environmental Affairs self-help program
- G. Executive Office of Environmental Affairs urban self-help program
- H. Executive Office of Environmental Affairs land and water conservation funds
- I. Repairs and renovations to Town properties
- J. Coastal Zone funds for coastal-related activities
- K. Housing-related grants
- L. Public Safety
- M. Title V subsurface disposal of sanitary waste management
- N. Public or private grants deemed by the Selectmen to be in the best interest of the community
- O. State Road funds, Chapter 53B and Chapter 150 (commonly known as Chapter 90 funds)

Motion passed by voice vote at 11:56

Article 47. Motion was made and seconded that the Town will vote to authorize the Board of Selectmen to institute, defend, or compromise suits of law.

Motion passed by voice vote at 11:57

Article 48 Motion was made and seconded that the Town will vote to authorize the Board of Selectmen to sell any article belonging to the Town, provided the Town has no further use for the same.

Motion passed by voice vote at 11:57

Article 49. Motion was made and seconded that the Town will vote to authorize the Board of Selectmen to sell or transfer any taxation possession property held by the Town, pursuant to General Laws, Chapter 60, Section 77, after the Board of Selectmen has notified the Planning Board, Open Space Acquisition Commission, Conservation Commission, and the Affordable Housing Trust of the availability of such land and said agencies may report in writing within twenty (20) days to the Board of Selectmen any recommendations that they may have with regard to the disposition of said land; or take any other action thereon.

Motion passed by voice vote at 11:58

Article 50. Motion was made and seconded to consider the reports of the Town officers and committees and act thereon.

Motion passed by voice vote at 11:58

Motion was made and seconded to adjourn the Annual Town Meeting until Friday, the 12th of May, 2017, at 8:00 o'clock in the morning in the Benjamin D. Cushing Community Center, 465 Mill Street (Route 6), in said Marion at which time the officers for the ensuing year shall be elected.

Motion passed by voice vote at 11:59 PM

TOWN OF MARION
Annual Town Meeting Minutes
October 23, 2017

The Special Town Meeting was called to order by Moderator Brad Gordon at 6:50 p.m. on October 23, 2017 at the Sippican School Auditorium. The Moderator noted the presence of a quorum and reported that the Warrant for the meeting had been posted and returned in accordance with the law.

Motion passed unanimously by voice vote at 7:27 PM

Article S7. Motion was made and seconded that the Town will vote to enact certain changes to the text of the Code of the Town of Marion, as noted by strikethroughs (indicating deletion) and underlines (indicating additions), all as set forth in the document entitled “Town of Marion Final Draft” dated August 16, 2017, on file in the Office of the Town Clerk, the Marion Planning Board, and the Marion Board of Selectmen.

Motion passed unanimously by voice vote at 7:30 PM

Articles 8 and 9. Motion was made and seconded to pass over these articles.

Motion passed unanimously by voice vote at 7:30 PM

Motion was made and seconded to adjourn the Annual Town Meeting

Motion passed unanimously by voice vote at 7:30 PM

Minutes submitted by: Elizabeth Magauran

**Report of the
TOWN TREASURER/COLLECTOR**

To the residents of the Town of Marion:

The expansion in global economic activity—along with low inflation and updated monetary policies—continued to provide a steady backdrop for asset markets in the third quarter of 2017. Non-U.S. equities sparked a global stock market rally for the third quarter in a row, bolstered by a weaker dollar and a strengthened economic backdrop. Credit spreads tightened further amid the "risk-on" tone, allowing emerging-market and high-yield corporate bonds to add to their solid year-to-date gains. Steady interest rates kept high-quality bonds in the black, and all asset categories posted positive returns.

The U.S. economy remains in expansion, between the mid- and late-cycle phases. Tight labor markets are supporting wage growth and the U.S. consumer, keeping recession risk low. So far, low inflation has been the key to a prolonged mid-to-late cycle transition in the United States. U.S. inflation is likely to remain range-bound due to multiple factors: Tight labor markets, rising wages, and increasing food costs have been supportive, while slowing shelter costs and other transitory factors have served to dampen inflation.

U.S. fiscal policy is supportive of growth, and hopes for tax-cut legislation represent a potential upside for corporate earnings. However, tax cuts may do more to boost inflation than growth, as rate cuts tend to have a bigger impact on growth when there is a large amount of economic slack and monetary policy is easing (unlike today). Meanwhile, escalating tensions in the Korean peninsula represent a potential catalyst for meaningful market risk, as the U.S. and China are the world's 2 economies that are most central to global trade.

Slowing labor force growth and aging demographics are expected to tamp down global growth over the next 2 decades. We expect GDP growth of emerging countries to outpace that of developed markets over the long term, providing a relatively favorable secular backdrop for emerging-market equity returns. Over long periods of time, GDP growth has a tight positive relationship with long-term government bond yields (yields generally have averaged the same rate as nominal growth). We expect interest rates will rise over the long term to an average that is closer to the 3.6% nominal GDP forecast, but this indicates that they would settle at a significantly lower level than historical averages.

The office of Treasurer & the Collector of Taxes is responsible for the proper collecting, investing, safe guarding and managing of all funds and receipts belonging to the Town of Marion and providing quality customer service to all Town residents in the performance of these duties. The office is responsible for millions of tax payer dollars under the rules and regulations of municipal finance law through the Commonwealth of Massachusetts.

The Town of Marion currently maintains a Standard & Poor's bond rating of AAA, as a result of its last rating in April, 2014. The Town has continued to maintain a strong financial position with healthy reserve levels and conservative management practices. This rating is significant for Marion in that it translates into substantial interest savings for future borrowings. This, in turn, means that future capital projects will cost Marion taxpayers and ratepayers less.

Debt Service Synopsis

<i>Project</i>	<i>Amount</i>	<i>FY Debt</i>
	<i>Borrowed</i>	<i>Expires</i>
To be repaid from sewer rates –

Sippican School	15,176,000	2025

On the revenue side:

The Town of Marion throughout this difficult economic time continues to maintain a respectable collection rate of 99.4% across its receivable base. The Town encourages payments of real estate and personal property taxes, which can be made on-line by going to the Town's website – www.marionma.gov and clicking on the online payments button. This service allows taxpayers the convenience of making payments to their real estate and/or personal property tax bills via their personal computer.

It is my intention to continue to improve the services to the citizens of Marion. I will continue to work with those who are having difficulty paying their taxes and other town charges. As I enter my eleventh year of service with the Town, I wish to thank the citizens of Marion for their support. It is my pleasure to continue to serve the general public and I look forward to your continued support in the future.

Respectfully submitted, Gary J. Carreiro, Treasurer/Tax Collector

Report of the TOWN CLERK

To the Honorable Selectmen:

At the close of the census, it was announced that the figures for the 2017 census were available. Total year round population as of April 2017 was 5068. The year round population does not include “inactive” voters. The breakdown is as follows:

<i>Under age 5 years</i>	<i>94</i>
<i>Age 5 – 17 years</i>	<i>691</i>
<i>Age 18 – 59 years</i>	<i>2685</i>
<i>Age 60 years and over</i>	<i>1765</i>
<i>Unknown DOB</i>	<i>23</i>
<i>Corrupt Record</i>	<i>1</i>

The following are population figures reported over the last five years.

<i>Year</i>	<i>Population</i>
<i>2012</i>	<i>5367</i>
<i>2013</i>	<i>5286</i>
<i>2014</i>	<i>5236</i>
<i>2015</i>	<i>5116</i>
<i>2016</i>	<i>4753</i>
<i>2017</i>	<i>5068</i>
